No. 31. From Surgeon E. G. BALFOUR, Government Agent at Chepauk; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 7th December 1857, No. 349 of G. A.

SIR,

In my letter, No. 128 of 19th May, replied to in para : 1, Extract Minutes of Consultation of 23rd July 1857, were submitted to the Right Honorable the Governor in Council, and the orders of Government were recorded on, the subject of the Sircar Servants at out-stations.

2. For the reasons which induced me, in para : 36 of my letter to Government, No. 155 of date the 24th December 1856, to recommend that quitting Madras should be a condition of the grant of pension, I have discouraged the visits to this City of the out-station Servants, but with one exception the enclosed lists which the Dewan of the Durbar has sent to me, made me aware, for the first time, that certain of such servants have, for longer or shorter periods, some, however, even, from infancy, been residing in this City, and I would ask if it be the wish of Government, for the Agencey to attend to their cases, as to gratuity or discharge, and issue of pension.

3. The accuracy of the entries made by the Dewan of the Durbar in the columns, of the list, now sent, have not been verified, it being sent merely to represent the presence here of such people, and if the Right Honorable the Governor in Council command that their claims be attended to in Madras, the necessary lists will be constructed and submitted for orders.

(Signed) EDWARD BALFOUR,
Government Agent.

No. 32. ORDER THEREON, No. 1063; dated 18th December 1857.

As the Servants referred to are not numerous and seem long to have been residents in Madras, the Government think that the Agent may attend to their cases and prepare and submit the necessary Lists for sanction.
