### TRANSLATION.

From MADAR-UL-OOMRA, Dewan of the Durbar; to Surgeon E. G. BALFOUR, Government Agent at Chepauk, dated 19th September 1857.

SIR,

With reference to my letter, dated 15th Instant, I beg to enclose, for your perusal, copy of a letter bearing\* signature of His late Highness the Nabob, addressed to Salar-ul-Mulk Bahadoor, regarding the respectable Officers of the Sircar being arranged in 2 Classes, one Civil and the other Military, and also with reference of the enrolment of Ihtisham-ud-Dowlah among the Civil Officers.

(Signed) MADAR-UL-OOMRA.

### TRANSLATION.

Copy of a letter bearing the signature of His late Highness the Nabob; to SALAR-UL-MULK Bahadoor.

(True Copy.)

MADAR-UL-OOMRA.

### SALAR-UL-MULK BAHADOOR.

I received your letter tonight about nine o'clock of the day and am duly informed with its contents. I have my Bahadoor, to say something on the subject to you. You are well aware that Moonshi-ul-Mulk Bahadoor, asked of me to enrol his son among the Military Officers and at the same time he told to you that he (the son) was your Nephew, and that you may employ him in as hard a duty you pleased. At that time I asked Moonshi-ul-Mulk Bahadoor, what his object was in getting Ihtisham-Ud-Dowlah enrolled among the Military Officers. On this

that† Bahadoor himself answered that he meant by it to take the seat of Mohtamim-Ud-Dowlah in the Military line which was then vacant, I said nothing to this; but yesterday about 12 o'clock Moonshi-ul-Mulk was sitting by me, and he said that he had on a former occasion expressed his wish to get Ihtisham-Ud-Dowlah enrolled, among the Military Officers; and that he had since

changed his mind; because he (Ihtisham-Ud-Dowlah) must be in the same line where his father and grand father may† be. I said if it is the case so much the better,

and I asked him if there was a written order issued on the subject. He replied in negative and said that only a verbal order to that effect has been in force in that Department, on a subsequent

interview which took place only two hours after (the first one) he took out of his pocket an order which I signed under impression that it was to the same effect; but when I read it, I found it countermanding an order formerly issued through Nadim Khas to put Asham Department under Bakhshighiri. This is what has occurred and my own wish is just the same as you wrote (to me); but as the order has by mistake and by hastiness, received my signature, I can think of no authority by which I may annul it: but if Mudar-ul-Oomra Bahadoor and Bakhshi-ul-Mulk Bahadoor join together in this respect or Madar-ul-Oomrah Bahadoor alone raise objections to carry it into effect, it is not after all impossible; but he must produce sufficient proof in support (of his objections) in order that I may find my order nothing but an imperfect one.

(Signed) MOHOMED GHOUS,

From MUDAR UL OOMRAH, Dewan of the Durbar; to E. G. BALFOUR, Esq., Government Agent at Chepauk, dated 18th September 1857.

SIR,

With reference to my letter, dated 15th September 1857, I have the honor to state that in former days His late Highness the Nabob, on festival occasions, viz., Ruzan and Bakreed feasts, the anniversary of his accession to the Throne and his birth-day, made 12 persons from the Civil and Military Establishments to sit on 12 chairs put behind the Throne as per plan, No. 1. In those days the Cawzee and Mooftie, who were not in the habit of giving Nazars, were not invited to attend on such occasions. Sometime after this, the Nabob discontinued putting chairs behind the Throne for Civil and Military Officers and ordered those chairs to be placed on each side of the Throne in a straight line with it as shown in plan, No. 2.

After this the people who used to sit on each side of the Throne as in plan, No. 2, began to sit (evidently used to sit) across on each side, as in plan, No. 3. At this period the Cawzee, and

Mooftees were invited and the Cawzee, the Sudrus Soodoor the Mooftees and the Munifizi Ahkam were allowed to sit to the right side of the Throne in a straight line with it as shown in plan, No. 3.

In stating this I will bring it to your notice that according to the first order only eight Civil and four Military Officers used to sit. On the death of Awzum-ul-Oomrah, who was holding three Offices, viz: Meeri Majhis of Dewani Maul, Meeri Saman of the Hoozoor, and Meeri Ahs-ham, the Office of the Meeri Majhis of Dewani Maul was conferred on the Madar-ul-Mihams, of the Durbar, the Office of the Meeri Saman of the Hoozoor was given to the first Madar-ul-Miham of the Durbar; and the Office of the Meeri Ahshawm was given to Ihtis-Ud-hamud Dowlah, who by order of His Highness, got the seat, No. 8, in the Civil line and the numbers of others who were below the late Auzom-ul-Oomrah were raised high.

\* Ranks.

When Bakhshi-ul-Mulk, the late Bukhshi, died the numbers below him in the Military line were raised high; and Mooshahirah Khan, the Military Paymaster, by order of His Highness endorsed on his petition, got the seat, No. 4. On that very occasion Bakhshi Badshahi obtained the order of His Highness for the Civil Paymaster to sit on the seat, No. 9, in the Civil line.

In 1268 Hijri Moostoufi-ud-Dowlah, the Moostufi, was appointed Deputy Dewan and was by order of His Highness raised from his seat, No. 5, to seat, No. 3, in the Civil line. The total number (of Officers) in the Civil line was 9. In the same year Shajee-ul-Mulk was appointed Bakhshi of the Sawars (Cavalry) and got by order of His Highness seat No. 3, in the Military line. His admission obliged Meeri Saman of the Fouj and the Military Paymaster to take seats, No. 4 and 5 respectively; and thus they lost one number each. The total number (of Officers) in the Military was five.

Besides this Surfarazood Dowlah got by order of His Highness, seat No. 6, in the Military line after he was appointed Meeri Imarat; and also some favourite companions and officials were, by order of His Highness, sitting about the Throne, some in the Civil and some in the Military line.

On the occasion of Ramzan and Bakreed Festivals, the Anniversary of His Highness' accession to the Throne, and his birth-day were celebrated in the Kalas Mahal, those persons alone with a few companions and officials used to sit about the Throne with a change in their respective places owing to the narrowness of the place. A clearer account of this will be shown by plan No. 4.

I further state that Bakhshi-i-Badshahi prepared a plan arranging parties and their seats on most of the occasions, and, after showing it to His Highness, he gave it to the Arzbegi and Mohtamims (Court Keepers) to make the people sit accordingly. This plan will certainly be found among the records of the Mooshriff of Dewan Khanah in the Badshahi Bakhshi Department. If you see it you will understand every thing clearly.

The Nabob had paid great attention to this point and no one could sit upon the seats of the aforesaid people. If any one did not come his seat was left unoccupied, for example on the occasion of the Bakreed Festival an Arab came and sat upon one of the chairs provided for those persons, His Highness was then enraged at the conduct of the Chobdars and ordered them to be fined in a sum equal to one-half of their monthly salaries, and the order was accordingly executed. For this very sum the Chobdars have petitioned the Commissioners. During the life time of His Highness the Chobdars petitioned His Highness to remit the fine and the Badshahi Bakhshi confessed that the fault was his own and not that of the Chobdars. These petitions will be found among the records.

In short there are at present 22 Chief Officers sitters about the Throne sixteen persons from the Civil and six from the Military Establishments. Out of these there are fourteen persons who sat about the throne, in regular order to their respective Offices (Ranks?) and the other ten,† persons took seats about the Throne without reference to their Office, † 14 and makes 24. not 22. all of them except Cawzee, Sudrus Soodoor, and Mooftees gave Nazars to His Highness in the folloing order, viz., first nine persons from the Civil Officers, next to them five persons from the Military Officers; after them Sarfarazud Dowlah and other officials and favourite companions and then respectable Members of the family: no one could dare to outstrip them.

Besides this I think Motamed Khan Bahadoor, used to sit upon one of the chairs about the Throne. It may be ascertained from the records.

No. 12. From Surgeon E. G. BALFOUR, Government Agent at Chepauk; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 6th November 1857, No. 319 of G. A.

SIR,

I have the honor to report to the Right Honorable the Governor in Council, on the orders as per margin;\* and to mention that, prior to the receipt of the communication of 9th September, I had called for the information required by that of 24th of August. I have the honor to subjoin the translation of the correspondence with the Dewan and of the information which he has given.

Extract Minute of Consultation, No. 746, 9th September 1857, Para: 2.  
Extract Minute of Consultation, No. 910, 22nd October 1857.

2. The documents now sent, from† the Dewan of the Durbar are bulky; but as the Right Honorable the Governor in Council seems disposed to decide the claims of individuals upon the information which they afford, I have sent the originals with their translations. The only error which I may have committed was that of suggesting to the Dewan to write in Persian, after he had declined to furnish the information, so that publicity to his acts and to his opinions was thereby avoided; but he is somewhat timid and it seemed necessary not to have expose an old man more to the ill-will of persons than what he was willing to incur. The translation of the documents now sent has occupied time and the last was completed on Saturday night of the 17th Ultimo.

3. I have the honor also to enclose a Persian‡ document prepared by Rajah Hoolass Rae with the translation thereof, shewing the Sircar ‡ Herewith forwarded and translation subjoined. Servants who possess titles and who were in existence on the demise of Nabob; the Column of remarks exhibiting their right to sit at the site of the Throne. I will add here that the Agency when preparing the List of Chief Officers had no cognizance of these papers; that the List of Chief Officers sent to Government was framed from the Lists of Servants received from the Durbar and submitted to Government on the 20th December 1855; that I am of opinion the Lists now sent merely exhibit instances of the Nabob and his Court playing at Royalty; and that the true test of servitude and the importance of the service, was to be found in the Lists of Servants above alluded to. I would also submit that the subject of Chief Officers has naturally, from this subsequent investigation, received much more attention from me now than I had before given to it; but, with all this additional knowledge, the List as formerly sent by me, with reference to political and social reasons, seems such as, with all the further information before me, I would still frame, merely remarking that His Highness the late Nabob's Court was neither regulated wholly according to Native, or, as we and they say Moghilai customs, nor wholly in accordance with our English ideas, and that any arrangement come to exclusively on either system, would fail of meeting the point desired. As, however, I have, already mentioned in letter (of 18th August 1857§) that neither Titles nor Salary could form any test, I would greatly prefer Government deciding on this, and my views having been to some extent submitted before this,|| I will confine myself to noticing some points in the documents now sent.

4. In para: 3 of Extract Minutes of Consultation of the 24th of August is the following passage.

"It is known that the Chief Civil Officers of the Nabob's Household were only about 12 in number and most of them are now included in List 2, their rank is ascertainable by their Sun-

"nuds and Titles, by their being at the head of Departments, and by their having seats round the Throne, as the acknowledged Chief Officers of the Household on State occasions."

5. The Dewan of the Durbar with his letter of the 15th September sends 3 Lists.

Lists A. and B. being Civil Officers, and C. those of the Military.

In List A. styled "List of the Chief Officers who at the time of the death of His late Highness Nabob Gholam Mahomed Ghouse Khan Bahadoor, Nabob of the Carnatic, were holding high and respectable offices and are honorable persons, with their Offices, Salaries and Pensions and remarks."

This List contains the names of 11 Servants of the Sircar, of whom, No. 3, Shurfool Moolk, and No. 9 Kismut Khan are the Dewan's Sons.

6. No. 11 is the Dewan's Nephew, Kazee's Son and both the Dewan and the Kazee have full pensions.

7. No. 8 is the Son of No. 5, the Grandson of No. 4 and the Nephew of No. 2 and of No. 1 in List C. and these men, viz., his Father, his Grandfather and Uncles have all full pensions.

8. The remaining individuals, viz. No. 1, 2, 4, 5, 6, 7 and 10 (No. 6 excepted) were recommended by me originally as and receive pensions as Chief Officers.

9. As in my letter of the 18th August, No. 235, I have fully mentioned my objections to having the whole members of a family pensioned, it will be sufficient to refer thereto when mentioning that No. 1, 3, 9, 10 and 11 in the Dewan's List A, are the Dewan, his brother the Kazee and three of their Sons; that No. 4, 2, 5 and 8 are a father, his 2 Sons and his Grandson.

10. No. 3 Shurfool Moolk Moostafee Ood Dowlah, one of the Dewan's Sons in List A, being but a Deputy, cannot be regarded as a Chief Officer.

11. No. 8 Itsham-ood-Dowlah is the Son of No. 5, the Grandson of No. 4, and the nephew of No. 2, is the head of his Department the Asham; but the Department consists of the humblest of the servants, Orderlies, Peons, &c., and his own salary being but Rupees 100, it did not occur to me to nor can I now, regard him as a person to whom the appellation of Chief Officer can be given.

12. No. 9, a son of the Dewan, named Ihtesab Jung, with the salary of 80 Rupees a month was, as I understand his position, a mere servant under the Dewan and I am not able to regard him as a Chief Officer.

13. No. 11, Sadarut Khan Bahadoor, Son of the Kazee, Nephew of the Dewan, with the salary of 80 Rupees per mensem, is the Head of his Department, the Sadarut; the duties being to attend to vows, obligations, charity and such matters, but neither the amount of his salary, nor the duties he had to perform would warrant me giving him the appellation of Chief Officer.

14. List B, also received from the Dewan of the Durbar, entitled "List of the Chief Officers of the Civil Establishment who, at the time of death of his late Highness Nabob Gholam Mohamed Ghouse Khan Bahadoor, Nabob of the Carnatic, were holding high and respectable Offices and are honorable persons, with their Offices Salaries and Pensions and the remarks;" contains the names of 9 Civil Officers, of whom.

15. No. 4 Nizamud Deen Ahmud Khan Bahadoor, Munfiz Jung is the Kazee's son and Dewan's nephew.

16. No. 6 and 7 Intizam Khan Bahadoor and Shurfeed Dowlah Gholam Mohamed Khan Bahadoor Ghalib Jung are two of the Dewan's sons, and No. 3 Moulvee Syed Mohamed Habeeboollah Khan is the Nephew of the Dewan and Kazee.

17. No. 9 was included in my List and received a pension as Chief Officer.

18. On Nos. 2, 3, 4, 5, 6, 7 and 8, I would remark as follows.

*Fort Saint George, Political Consultation, 8th January 1858.*

No. 2 and 3 were merely Mooftees of the Nabob's Maha Kamah of which the Kazee was the chief and now has continued to him full pay.

19. And No. 4, the Cazee's son, a servant of a still lower grade in the same Mahakamah.

20. No. 5 is now in this List styled by the Dewan as "Private Secretary."

21. In List F. of the servants of the Dewany Mal of date the 25th October 1855, submitted to Government as per margin,\* this person was styled Assistant to the President of that Department and the President, Raies Ool Oomrah, was recommended by me as, and now receives the Pension of a Chief Officer.

22. No. 6 Intizam Khan Bahadoor, son of the Dewan in the List S. of the Mudud Kurch is returned as Private Secretary.

23. No. 7. Another son of the Dewan, Shurfood Dowlah is the young man who was paid by an assignment upon the Revenues of the Hyderabad Jaghire and is the chief person who conducted all the reckless money transactions of the Nabob during the latter years of his life.

24. No. 1 Shereen Sokun Khan Bahadoor, Afzul-ul-Shora is the Head of the Fatiah Department and was the President of a Society of Poets which ceased several years prior to the Nabob's demise. His salary was Rs. 100, the duties of the Fatiahs were to superintend the feasting on the occasion of Anniversaries. I could not consider that the duties he performed, his position, or his salary, warranted the appellation of Chief Officer being applied to him; but he enjoys half rate of pension for length of service.

25. No. 8 in that List Mahomed Koodrut Oollah Khan, Salary Rs. 70 per mensem, a Superintendent of the Nabob's Tombs, now styled by the Dewan as "Head of the Office," had, as his sole duties, the superintendence of the Hafizes and Daroodies who read prayers.

26. No. 9 Roy Eshar Doss Rajah Dayarwant Bahadoor, in Dewan's List B, was recommended by me as, and receives from Government one-third rate of pensions, as Chief Officer. I have the honor to re-enclose his petition along with this report. When sending on my letter of the 24th December 1856, in para: 29, I thus remarked.

"M. 4 Rajah or Rae Eshwar Doss Dayawant Bahadoor, Seristadar of the Khandan, present salary Rs. 70, total service 20 years and age 31, to whom a pension of  $\frac{1}{3}$  or Rs. 23 is proposed. He is reported a very wealthy man and this grant merits the scrutiny of Government."

27. It will be observed by Government that, on that occasion, I was recommending him with hesitation, and the same reasons which influenced me then, are influencing me now. It will moreover be observed that he has no sunnud or commission, neither had he a seat round the Throne, which Government in para: 3 of Extract Minutes of Consultation, No. 664 of 24th of August, indicate as tests of Chiefship, but in justice to that Officer, it is my duty to submit to the Right Honorable the Governor in Council, my opinion that, as before mentioned, I do not place any value upon these tests, but that the duties of this Officer were far more important, and his position as a servant more dignified than those of Carnatic Stipendiary, No. 2341, Surfraz Ood Dowlah Bahadoor, and, objections to whom were submitted, by me, but if comparison be allowed as a reason for reckoning the rank of a person, the claim he now makes, merits the best consideration of Government. There is no other name in List B. that I am able to recommend, even in this unusual manner, and I would only add, before quitting these two Lists of Civil Officers, that combined, instead of twelve, as Government had been informed, the individuals in them are 20 in number.

28. The List C received from the Dewan of the Durbar contains the names of 6 individuals entitled "List of the Chief Officers of the Military Establishment who, at the time of death of His late Highness Nabob Gholam Mohamed Ghouse Khan Bahadoor, Nabob of the Carnatic, were holding high and respectable Office and are honorable persons holding commissions, with their offices, salaries and pension and the remarks."

*Fort Saint George, Political Consultation, 8th January 1858.*

29. Of these 6, No. 1, 2, 3 and 4 were recommended by me as, and received from Government the full allowances of Chief Officers, and No. 6 has since been so ordered by Government.

30. No. 1 is Son-in-law of No. 4 of List A. Brother-in-law of No. 2 & 5 and Uncle of No. 8.

31. No. 2 is Nephew to Dewan and Kazy and Son-in-law to Dewan.

32. The only other individual in this List whom I did not recommend is No. 5 Mooshahira Khan Bahadoor Kassim Jung, a son of the Dewan of the Durbar, salary Rs. 80 per mensem. I was not able, and am not able to recommend him as a Chief Officer as I consider him a very subordinate one. He was returned in 1855 by the Dewan of the Durbar as Paymaster in the Buksheegherry in which two of the Chief Officers received 400 Rupees each, one person received 250, and a person on 80 Rupees a month can scarcely be considered a Chief Officer, I was not prepared to find the Dewan of the Durbar submitting as Chief Officers so many of his own children, all holding inferior employments, and it will be observed that he does not include a single Military Officer holding Regimental Rank but who according to the custom of all nations however insignificant their salaries may be, are ever regarded and treated as Officers of importance.

33. According to the Dewan's Lists the 13 Soobadar Majors, Soobadar, Quarter Masters and Soobadar Adjutants, &c., &c., would be entitled to no consideration. I cannot concur in this view of the Dewan's: the whole of them are holding Commissions and two of them titles.

34. I will now come to remark on the List prepared from the Records by the Officer in charge of the Badshai Bukshee Department, the duty of which Department was to attend to all matters connected with titles, commissions, the ceremonials of invitations and visits. This List entitled a "List of the Sircar Servants who possess Titles, &c., and who were in existence on the day of the demise of the late Nabob," contains 14 Civil Servants, Nos. 1 to 14 who possess Titles, Seals and Commissions; 13 of whom used to sit at the right of the Throne, No. 12 Shereen Sookhoon Khan is the person whom I alluded to in para: 24.

35. Of these 14 individuals, Nos. 1, 2, 3, 4, 5, 6, 7, 8 and 11 have received pensions as Chief Officers, No. 7 and 11, by the direct orders of Government; the others at my recommendation, No. 9 is alluded to in para: 11 of this report.

36. No. 10 Ihteshab Jung Bahadoor is a son of the Dewan, the same individual styled Kismut Khan Bahadoor Ihteshab Jung in Dewan's List A, of whom I have noticed in para: 12.

37. No. 13, Sadarut Khan Bahadoor is the Kazy's Son, my observations on whom are contained in para: 13.

38. No. 14 Auzum Nawaz Khan is not to be found in any Sircar List received from the Dewan.

39. The next List entitled "Servants who possess Seal and Titles," Nos. 15 to 92 shows a total of 78 people in that Category.

40. The next List Nos. 93 4 shows two Civil Officers holding commissions only.

41. The next List "Military Servants who possess Titles, Seals and Commissions," Nos. 95 to 101 inclusive, shows seven individuals in that Category all of whom have pensions of Chief Officers, except No. 99 Kassim Jung Bahadoor, the Dewan's son, who is alluded to in para: 42 of this communication.

42. The next List is a Military one, the individuals therein named possess commissions only, they are 19 in No. from 102 to 120, but Nos. 104, 105, 109, 110 and 119 were pensioners of the Nabob and should not have been included here as servants, leaving 14 individuals with commissions.

43. The Right Honorable The Governor in Council will observe that this General List contains 120 servants, &c., of the Sircar, Civil and Military, possessing Seals, Titles, and Commissions, with seats round the Throne. The Civil servants who possess all of these are 12 in number, viz. Nos. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 13. Of whom 4 and 10 are sons of the Dewan of the Durbar, and No. 13 Son-in-law of the Dewan and son of the Kazee.

*Fort Saint George, Political Consultation, 8th January 1858.*

44. Nos. 1, 2, 3, 5, 6, 7, 8 and 11 have pensions as Chief Officers. No. 12 has  $\frac{1}{2}$  rate of pension for services and for reasons given in paras: 10, 11, 12 and 13, I cannot recommend Nos. 4, 9, 10 and 13.

45. The number of Civil servants who possess Titles and Seals, No. 14 to No. 91, include servants of such a variety of positions that it would be endless to remark upon them; but I would merely mention that 9 people sat about the Throne but with no fixed place.

46. And of the Military servants who possess Titles, Seals and Commissions, five had Seats with numbers round the Throne, all of whom with the exception of Kassim Jung Bahadoor, see para: 41, had seats round the Throne and now enjoy full pensions.

\* 1. Wahid Beg.

2. Ihtesham ood Dowlah.

3. Rajah Eshwar Doss.

4. Syed Yoosoof Jamadar.

5. Shurfool Moolk Bahadoor.

and

6. Nizam ood Deen Ahmed Khan.

47. I have the honor with reference to

the remarks now made to forward the Petitions

as per margin.\*

48. No. 1. Wahid Beg, Jamadar, Adjutant of the Body Guard, while a Sircar servant had Rs. 45-8-0 per mensem, he now enjoys a pension of Rs. 22-12-0, I am of opinion that his claim has been fully considered, he is the person I have alluded to in my letter, No. 277 of 27th Ultimo.

49. The next Petitioner, No. 2, Ihtesham ood Dowlah Bahadoor, I have noticed the case of in para: 11 of this report with his Father, his Grandfather, his father's brother, and his father's Brother-in-law, all in the receipt from Government of full rates of pensions, total Rupees 1,400 per mensem, putting aside the humble nature of his own duties, I think the Government will consider that there were no political or social reasons requiring any other Members being provided with full rates of life pensions. The family are very wealthy and live in the most parsimonious manner. I had occasion to speak with the head of the family during the Nabob's life time as to the impolicy of the parsimony exercised by the family and I was lately in their house and I saw no change. The oldest Sircar servant in the family, viz. the Grandfather, was only entertained in 1823.

50. The next Petitioner Rajah Eshwar Doss I have noticed in para: 26 of this communication and I have recommended his case for the best consideration of Government. The family have been long servants of the Sircar and this one is now temporarily a servant of our Government.

51. No. 4 Syed Yoosoof, Jamadar, received, while in employ, Rs. 17-8-0 per mensem: he now receives a half rate of pension, viz. Rs. 8-12-0. I am of opinion that his claims have been amply considered.

52. No. 5 Shurfool Moolk Bahadoor, a son of the Dewan, has his father, his Brother-in-law and his Uncle all in receipt of full pensions. I have noticed his case in para: 10 of this report. I feel unable to recommend his case as that of a Chief Officer and there is no political or social reason demanding it.

53. No. 6 Nizam ood Deen Ahmud Khan has a salary of Rs. 50 per mensem. I have noticed his case in para: 15 of this report as a son of the Kazy, in whose Court he was an Officer of inferior rank, (as the salary would alone testify.) I cannot regard him as a Chief Officer,

(Signed) EDWARD BALFOUR,

Government Agent.

2. The Right Honorable the Governor in Council has given his best consideration to the reports and Documents now laid before him, as well as to the representations that have been addressed by parties claiming to be recognized as Chief Officers and to be admitted to Pensions at the full rate of salary, which the Applicants received under the Carnatic Sircar. He is of opinion that the liberal intentions of Government towards these Servants will be fully carried out, if this privilege is conceded to the seventeen Officers mentioned in the margin, who in the Sketch No. 3 of the Musnud sent up by the Dewan are shown to have had seats around the Musnud. There is however one addition to be made to this List, viz., the Adjutant Jemadar of the Body Guard Wahid Beg, who should also be treated as Chief Officer and allowed a full Pension. The Governor in Council accordingly directs that such of the above Officers as are not already in receipt of it be now admitted to full Pension, and that the same be disbursed to them in arrears, as authorized in the cases noted in the margin.

3. The number newly admitted into the List of Chief Officers under the above orders and thereby allowed full Pension is in addition to those Officers, Civil or Military, to whom full Pensions have already been granted. When the Agent has given full effect to these orders, he will submit for the information of Government and for the purpose of future reference a revised List of the Officers admitted to full Pension, under the present or any previous orders, specifying their names and rank, occupation, rate of Pension, date of sanction and any other particulars that may be considered necessary.

4. Ordered that the following Endorsement be communicated to the other parties whose names are excluded from the List of Chief Officers, as now finally sanctioned by Government.

"Government having fully considered the case of the Petitioner see no reason to recognize him as Chief Officer nor to admit him to full Pension."

Sadarut Khan Bahadur  
Sudder oos Sudder

Claims a full Pension as "Chief  
officer".

holds a commission: but he  
privilege of sitting (with the Cargue  
& him alone) on the torjenes on a  
white mudum in the Cutelary.  
States that he, the Dewan, & (likely,  
but this was an innovation) the  
Persian Moonshee were the only  
officers who held communication  
directly with the Presence.

As Sudder oos Sudder, he was  
the channel of the Royal charities.  
In token of the estimation he held  
him in, the late Nizam appointed  
him to act as Cargue in the place of  
his father, when the latter went to  
Mecca, & when he himself went the  
pilgrimage, Govt. at the Nizam's  
request, allowed him to make use  
of the public bungalows so far as his  
route lay in his Residency.

2. This petition was formerly addressed Govt.  
on his own, but on the report of the agent  
(who pointed out that his father & father in law  
were to be pensioned) Govt. did not grant his  
request see paper put up. D.C. 9-57.

He appears on the  
left hand of the Nizam  
in the Chief Secy's  
list.

سلام ملک ساد

خطان بهادر ملک بوقت نه غایت رفعت سید از کور  
منذبه خونی مطلع گردید بهادر مراد در آن مقدمه حشر المانع  
ست هم یار خولید بعد رفعتی منک الملک بهادر مراد کفنه  
هم فرزند خوف و در زمره ارباب شمشیر و اخلاص و آن بهادر  
هم حاضر آنوقت بودند گفتند هم او برادر زلفه شما  
از او خوب برده خواهند کردی بگیرند از آنوقت از ملک  
استفسار کردم هم از دافله احمق هم الدوله در زمره ارباب  
هم عرضی آن بهادر است در آنوقت آن بهادر خوف نداشت  
خونی جواب دادم در مله آن جای نشین بصف ارباب  
برگرس متهم الدوله بهادر هم اکنون خالی است خیر آن  
خاموشی ماندم مگر در روز بوقت ظهر غایت تخمیناً ملک  
تفنگ نشسته بودند گفتند هم در نشین ازین برای  
دافله احمق هم الدوله در زمره ارباب شمشیر کفنه  
اما اکنون نمی پسندم چرا که جد و بد را به فرقه هم باشند  
او هم در آن باید بودند کفنه اگر چنین باشد بهتر و بدیم  
هم ایاد در این امر حکما نه شد است گفتندی اما فقط  
عمارت زبانی بدان گونه در آنجا جاریست بعد هم است  
دیگر حکما نه از حبیب خونی بر او بودند فرستادیم هم در آن  
بعد و خط کلام چون بعد از آن اوسه و ماله و نعم دیدم  
هم این در شکستن حکمی هم پس ازین بوقت ندیم  
در باب دافله کجرا هم هم در بخشیدی شد بعد

خواهند کرد و روشن خواهند شد و نوابها حسب الامر تمام بسیار بود و کسی را بقصد نمود  
 بر کرسی های این مردم بنشیند بلکه اگر کسی از اینها حاضر نشدی کرسی او خالی می بود چنانچه  
 یک عرب در تقرب عبدالصنی است که سحری آمده بر کرسی اینها که خالی بود بنشست حضرت نوابها  
 بر تاعی چو بدلان عتاق فرموده حکم فرمودند که از در ماه هر یک چو بدلان نصف در ماه در جریانه وضع  
 کنند بموجب حکم حضور بعل این چنانچه اکنون چو بدلان برلی همان نصف در ماه یکم برین عرض گذرانند  
 و در زمان حیات نوابها حسب چو بدلان برای معافی آن عرضی گذرانند بودند در آنوقت بخانه های  
 مخصوص و صد استند درین باب تقصیر چو بدلان منیت بلکه تقصیر خویش است چنانچه این  
 عرایض در دفتر موجود خواهد بود الحاصل اکنون شانزده کس از اهل علم و شش کس از اهل شمس  
 جمله بیت و ده کس از حیف آفران نشینند که آن گردنخت اند بمجلس آن چهارده کس موافق  
 ترتیب خدمت خواهد به تعیین کرسی بخبری گردنخت و دیگر ده کس بلا ترتیب خدمت بر کرسی های  
 گردنخت جای میگزینند و همگی آنها در تقریبات نیکو سوازی قاضی و صدر الصدور و مفتیان مخصوص  
 نذر میگردانند بنمایان طور اولاً آنکه از اهل علم و بعد از آن پنج کس از اهل شمس و پس از آن سر فرار الدوله  
 و دیگر اعیان است و بعد از آن امانی خاندان مغزو و کسی دیگر بر اینان در نذر گذرانند پس  
 نمیکرد و سوازی این یارانی افتد معتمد خان بهادر یکی از کرسی های گردنخت می نشستند و اخلا  
 آن از دفتر دریافت کرده نمود زیرا که چه بر طراز

3. Further applications  
from parties claiming  
to be treated as Chief  
Officers have been referred  
for the report of the  
Government Agent and  
on

on his soliciting instructions  
as to the principles by  
which he should be  
guided in disposing  
of them he was told  
Ex. Min. of Gov. 24<sup>th</sup>  
August that the Chief  
Civil Officers of the  
Mauant's Household  
were only about 12  
in number and most  
of them already entered  
in list A & B. Their  
rank is ascertainable  
by their Sumudra and  
titles, by their being  
at the head of Depart-  
ments and by their  
having seats round  
the throne as the acknow-  
ledged Chief Officers of  
the Household on State  
occasions. Subsequently  
Ex. Min. of Gov. 9<sup>th</sup> September  
1857 D. P. Balfour was  
desired to obtain from  
the Dewan an explanatory  
report of the persons  
whom

whom he considered to be the Chief Officers of the late Muzahib's House hold and he forwarded it for the information of Government. This he has done after some delay.

4 The Dewan gives three lists. Two A & B for Civil and C for Military.

5 The first list A is styled List of the Chief Officers who at the time of the death of His Highness Ghoolam Mahommed Ghouse Khan Bahadur Nabal of the Carnatic were holding high and responsible offices and are honorable persons, with their officers salaries and pensions with remarks.

6 This list contains 11 names of whom being

Mookhim-oo-Dowlah  
Ex. Min. of Cons 20 July 1857  
No 63.

Nos 1-2-4-5-7 and 10 have, on the original recommendation of the agent been pensioned in full as Chief Officers. No 6 has been pensioned by order of Government leaving Nos

3 Shurfool, Moolk.

8 Ishliham-oo-Dowlah

9 Mianat Khan Bahadur

11 Sadarut Khan Bahadur

3 and 9 are the Dewan's sons

8 is the son-grandson and

nephew of men already

admitted to Pensions as

Chief Officers.

11 is the son of the Caze

and nephew of the Dewan.

but these relationships

tho' dwelt on by the Agent

do not affect these men's

titles to be regarded as

Chief Officers.

7 In respect however

to No 3 Shurfool Dowlah

Dr. Balfour says that

being but a Deputy he cannot

cannot be regarded as  
a Chief Officer.

The Dewan however  
thinks his office must be  
and Depty. Dewan of the  
Durbar and calls him  
the head of the Tutcherry  
of Amstooji. He has a  
Commissioner and has a  
seat about the Throne.

N<sup>o</sup> 8 Shaham-oo Dowlah  
is allowed by the Agent  
to be the head of his de-  
partment but that depart-  
ment the Asham consents  
of the humblest of the  
servants. Orderlies Bows  
yes and his salary was  
only Rs 100. a month.  
The Agent cannot there-  
fore hold him as a  
Chief Officer.

He has a Commis-  
sion and a seat around  
the throne as indeed  
have all the 11 in this  
List.

N<sup>o</sup>

N<sup>o</sup> 9 Niamut Khan  
Jahisab Jung the Des-  
-wan's son is said by  
the Agent to be a mere  
servant of the Dewan  
on 80 Rs a month.  
The Dewan enters him  
Head of the Civil Pay-  
masters.

N<sup>o</sup> 11 Sadamut Khan  
son of Carzi. Nephew of  
Dewan is the Agent allows  
Head of his department  
the Sadarut. but the de-  
partment is of an inferior  
class. his duties being to  
attend to vows. oblige-  
ments. charity and such  
matters. and his salary  
small only Rs 80 per  
month <sup>therefore</sup> he cannot be  
recognized as a Chief  
Officer.

It seems however  
from the Dewan's return  
that Sadamut Khan had  
a seat to the left of the  
throne - the Carzi being  
on

on the right. Vide plan  
 N<sup>o</sup> 4. and that the Sabal  
 used to rise up to re-  
 -ceive him.

This man claims  
 to be considered a Chief  
 Officer have already been  
 rejected by Government  
 on the report of the Agent  
 but that was when the  
 Government placed more  
 dependence on his list  
 than they have since  
 been led to do.

8 List B received from  
 the Dewan contains  
 nine names. It is  
 headed like List A  
 except that it is said  
 to be a list of Chief Officers  
 of the Civil Establishment  
 whereas List A only  
 mentioned Chief Officers  
 but as all in List A  
 seem to have been  
 Civil Officers I do not  
 see what is the distinction  
 between

From Agent 20<sup>th</sup> Feb/57.  
 Order of Gov<sup>t</sup> 28<sup>th</sup> March.

between the two lists or  
 why there are two in-  
 -stead of one.

N<sup>o</sup> 5 - is the Dargi son  
 and Dewan's nephew.  
 N<sup>o</sup> 6 and 7 are the Dewan's  
 sons.

N<sup>o</sup> 3 is nephew to the  
 Dewan and Dargi.

N<sup>o</sup> 1 Sherara Sahna  
 whom Bahadur  
 has been pensioned  
 on half pay - salary  
 Rupees 100 - was Pre-  
 -sident of the Society  
 of Poets which reads  
 several years ago -  
 is head of the Fatah  
 Department or that  
 which superintends  
 the feasting on the  
 occasion of anniver-  
 -saries. - Agent does  
 not think that his  
 duties - position or  
 salary entitle him  
 to rank as Chief Officer.  
 From

From the Dewan's list it seems that he has a commission but no seat about the throne.

No 2 and 3 Moolawer Mahomed (Gooxo of Khan - Moolawer Syud Mahomed Al-Beeloolah Khan are said by the Agent to be merely Coofters of the Nabob's Maharamah of which the Nazeer was Chief. They had seats about the throne but were the farthest from it. The Nabob used to rise up to receive them.

The Dewan does not say that they were Heads of Departments but simply that they had respectable posts.

They are now pensioned on half or one third pay

pay according to length of service.

No 4. Nizam-oo-Deen Ahmed Khan Bahadur Mungli Jung is called by the Dewan Mungli of the Maharamah and Head of the Office. The Agent says he is of still lower grade in the Maharamah than the Moolawer No 2 and 3. He is the Nazeer's son. His salary was only Rs. 50. The next three No 5. Motamid Khan Bahadur. 6 Indijan Khan Bahadur son of the Dewan. 7 Shumsoo Dowlah also son of the Dewan - altho' returned by him as Heads of Offices are also all described as Private Secretaries. their

not quite clear however  
as regards Mohamad Khan.  
see Dewan's letter.

Their salaries are res-  
pectively Rs 75-150-150.  
They had all seats about  
the throne.

No 8. Mahomed Woodul  
oolak Khan. - Superin-  
tendent of Mahab's Tomb.  
Salary 70 Rs - is called  
by the Dewan Head  
of the Office. His sole  
duty the Agent says was  
the superintendence of  
the Nazir and Dawood  
who read prayers there.  
No 9. Raz Eshen dase  
Rajah Dayawant &  
Bahadur. Sheristadar  
of the Khandaan is  
termed by the Dewan  
Head of the Office. Agent  
vide his remarks letter  
8<sup>th</sup> November P. 26-27-  
says he had no humud  
nor Commission nor  
seat about the throne -  
but his claim to be re-  
spected as a Chief  
Officer

Officer is better than  
that of Surfrago Dow-  
-lah whom Government  
have already recognized  
as such. List contains  
the names of indivi-  
duals on the military  
establishment who are  
returned by the Dewan  
as Chief Officers.  
Nos 1-2-3-4-and 6 have  
been already pensioned  
in full - the last under  
orders of Government  
10<sup>th</sup> August 1857 - the rest  
as originally recommended  
by the Agent.  
No 5. The Dewan's son  
Mooshatur Khan Ba-  
-hadur Khosim Jung  
is termed by the Dewan  
military Paymaster  
Head of the Office of  
the Military Paymaster.  
Head of the Office. He  
had a seat around the  
throne.

The

The Agent regards him not as the head servant in his office but as a very subordinate one - there being two on 400 and 280 Rs above him in the department.

P 10 The Agent next refers to a list prepared from the records by the Officer in charge of the Budaichai Buekakee Department. the duty of which was to attend to all matters connected with titles Commissions the Ceremonials of invitations and visits. The list contains 14 Civil Servants who possess titles seats and Commissions 13 of whom used to sit at the right of the Throne.

11 Of these eight 1. 2. 3. 5. 6. 7. 8. 11 are already in receipt of Pensions as Chief Officers four 9. 10. 12. 13 have been mentioned

mentioned by the Agent in previous paras (11. 12. 13. 24) of his report. The 14<sup>th</sup> is not to be found in any Sincar List received from the Dewan.

12 The next list is that of Servants who possess seats and titles. They number (15-92) 75 persons.

13 The next list shows two Civil Officers Nos 93-94 - holding Commissions only.

14 The next list shows Servants who possess titles seats and Commissions. There are seven - Nos 95 to 101. Six have now pensions as Chief Officers. The remaining one No 99 has been alluded to by the Agent in para 46 of his report.

## At Memorandum

*W* As the question of the Chief Officers of the  
Kawaub's Household remains unsettled I  
deem it due to myself to show on leaving the  
Chief Secretary's Office that the <sup>of the delay</sup> cause has not  
rested with me.

On Govt. deciding on the extinction of the Ka-  
waubship it was ordered that the Chief Officers  
of the Household were to be pensioned for life  
on the salaries attached to their Offices.

The Chepauk Agent accordingly prepared a list  
(No 2) of these officers, but the list gave rise to  
much complaint on account of <sup>the high salaries</sup> parties being  
omitted while some inferior officers had been  
admitted into it.

Some of these complainants have not with-  
stood the Govt., but on the petition of  
others being referred to the Chepauk Agent  
for report, it appeared that he had not acted  
on any clear system or information in pre-  
paring List No 2.

Orders were accordingly sent to the Agent on  
the 4<sup>th</sup> Sept last to do what it is to be regretted

P. J. - have writing the above; Dr. Balfour Report has reached the Office  
 It is dated the 6 Nov. & gives so explanation of the delay which has  
 caused the delay in the report being sent in

that he had not done in the first instance  
 viz. consult the Dewan as to who were  
 the acknowledged Chief Officers

On the 1<sup>st</sup> October an official Memo was sent  
 indicating the Agent that he had not sent  
 the Dewan's report -

On 2 October the Agent replied that he had received  
 the Dewan's report, but that it required much reference  
 before he could send it to the Records.

On 22 October another fortnight had passed & an order was  
 sent to the Agent to furnish the required information  
 without further delay.

On 24<sup>th</sup> Oct. the Agent sent to the Dewan's letter  
 dated 15<sup>th</sup> 18<sup>th</sup> & 19<sup>th</sup> Sept. - & said that his own  
 report offering remarks on them was then being  
 sent copied.

Within 15 days have however passed & this report  
 has not been yet received.

These delays consequently compel me to leave  
 the question undisposed of on my quitting the  
 office - This I had wished to avoid, because  
 it adds to the Chief Secretary's labor in clearing  
 charge of the Office, & several petitions have  
 remained undisposed of an undue time

the Carnatic Sirdar from  
whom Potters have  
been received, claiming  
to be recognized as Chief  
Officers and to be pen-  
sioned on their full  
salaries.

There is only one  
point concerning this  
investigation which  
is very clear and  
I think that the  
Government is  
prepared to take the  
number of claimants  
to the title of Chief  
Officers and therefore the

full person.  
and that is all.

The proposition that the  
of opinion and have full  
knowledge equal to their  
stature. I am sure I  
think from myself. &  
from what I have seen. When  
picking a bearing vessel  
from the harbor and suppose  
there to be six or eight.

My friend's remark was  
of such at the utmost  
of doubt if more cases  
family etc. I have not  
in these cases. I have not  
family compact. & I am  
in order to show it in  
whatever manner the  
question is decided & the  
but I think the best  
fashion must go to the  
Dwight family & as to  
the money paid with their

the various merits of the  
individuals. In the degree  
of responsibility attached  
to their officers. It is evident  
that after the fact is over.  
there is plenty of room for  
discrepancy.

I have not space however  
to enter the report. that the  
mere fact of relationship  
with other chief officers etc

61E

Exclude those from the  
proceedings belonging to their  
proper departments and  
to their  
and amongst the things reported  
is a sketch of the march

military officers.

I think they should be fully

The *Agenda* report is  
 very confused & the *enclosures*  
 are sent up in the most  
 inconvenient fashion,  
 the whole calculated rather  
 to darken knowledge than  
 to facilitate inquiry.

It appears from that  
 that A & C do all be  
 included under the head  
 of Chief Officers. I mean  
 those contain the names  
 of 11 Heads of Dept<sup>y</sup> &  
 6 Military Officers - all  
 of whom

of whom except 5 have  
already been recognized  
as Chief Officers.

The third list does  
not appear to come under  
the definition of Chief Officers.

All we have to do is  
to ascertain the condition  
of the Durbar is left by  
the late Nawab & these  
two lists appear to establish  
clearly who were considered  
the principal officers  
by him

W.E.

606  
I have nothing to do with  
the relationship of these  
parties among themselves.  
It was to be expected  
that the Chief Persons should  
get their own relations  
advanced to posts of honor.

I cannot concur  
with the object that the  
subordinates & favorites of  
the Nawab were at the  
receiving of the destination  
he conferred on them.

They were mere labor-  
dividing regimental officers  
far inferior to many of  
these.

his best consideration  
to the reports and docu-  
ments now laid before

been addressed <sup>by parties</sup> claiming  
to be recognized as Chief  
Officers and to be ad-  
mitted to pensions at  
the full rate of salary  
which the applicants
