No 60

From J. R. Peyton, Acting Honorable Company's Solicitor
To The Chief Secretary to Government

January 31st 1857.

Sir

m/c dated 14th Jan'y
1857 No 50 Political
Department.

With reference to the extract from minutes
of Consultation noted in the margin I have the
honor to state that I do not consider it expedient that
the suggestion contained in para 7 of the Govern-
ment Agent's letter of the 31st ultimo No 164 should
be acted upon.

I am unable to see that any advantage or
benefit could possibly result from the "notice"
or "warning" which the Government Agent proposes
to give to Her Highness Khayson Neffa in
Begum and Quzum son Neffa Begum and
I think that the giving it might lay the
foundation for some supposed obligation on
the part of Government towards these Ladies
or connected with the premises they now
occupy.

Under present circumstances and pending
the receipt of final instructions from the
Government of India I think it very un-
desirable that Government should not
interfere more than is absolutely necessary
in

in the late Nabobs affairs or with his Estate.

I have the honor to be

Yours ^{for} most obedient servant

Albanyson

that, under present circumstances -
- however, pending the receipt
of final instructions from the
Govt of London, Govt should not
interfere more than is absolutely
- necessary in the late No.
- contract affair in with the State.

that is that it would not be of
 -radiant to act upon the crypto-
 -tion of the foot. About no con-
 -tained in the letter of the 31st
