14th February 1857-

From,

Surgeon C. G. Dalpou

Government Agent at Chepauk.

To,

J. Pycroft Esquire,

Chief Secretary to Government

Fort St. George.

Sir,

In my Communications of the 10th October and 19th December 1856, I submitted a detail of the Circumstances which had placed the wealth of the late Shah Sawar Jung under the Care of the Dewan of the Carnatic Durbar, and accompanied the same with the Dewan's request to be relieved of that Charge by being allowed to deliver over to the Officers of the Supreme Court.

2

In Extract Minutes of Consultation dated 7th January No. 20 of 1857, The Right Honorable the Governor in Council assented to the suggestion of the Honorable Company's

Company's Solicitor which was to the effect -
that the Dewan should continue to retain the
Charge.

3 The Right Honorable the Governor
in Council is aware that, in the course of a
short time more, the functions of the Dewan
will cease. For this reason, as well as for others,
it is not advisable to have in one place more
property than what can be helped: and as
the Dewan of the Durbar has no interest in
the matter but tells me that he is desirous
to be rid of the responsibility connected
with its custody, when the above reasons are
made known to the legal adviser of
Government he may perhaps take a different
view of this case, and recommend assent to
the wishes of the Dewan. I write this in the
supposition that compliance with this
request of the Dewan of the Durbar does
not involve any complication with
Her Majesty's Supreme Court of Judicature
which point the legal adviser of Government above
can

can determine, but, I have advised the
Dewan of the Durbar not to keep in the
Treasury more money than he can do without.

I have the honor to be,

Sir,

Your Most Obedt. Servant
