for marriage have
the name of that
two children. 1857
Curator St. George,
Glasgow, is
in receipt of St. George

35 per manum as a concubine son of the late
Mans and St. George's children, is a son
the Arab Mulla's St. George's
Grandson.

2. By G. C. - of 30th Nov
1843, 1846 he was granted three years
leave to proceed on pilgrimage to Mecca and
Medina, and on the 22nd January 1847, 1850,
he obtained, by Extract Minutes of Consultation

Three

quaker of his half brother, Farnatic Stephen
diary No. 201 Cholum Mahomed
Mathe oollah Ahmed, will be in the
recollection of the Right Honorable
The Governor in Council, as that of the
insane man whom the Resident at
Hydrabad sent to Madras under
a guard, and for the payment of
whose debts Government in Extracts
Minutes of Consultation dated 4th June 1856
No. 164 was willing to grant the
salary which had lapsed during his
absence, bears no resemblance to petition-
er's absence, as well because the money has
not yet been paid for his brother, as because
petitioner was not insane; and because
the strict adherence to these leave
regulations and to the other defined
rules in force, has done a very great
deal of good to the Farnatic Stipendi-
aries, by teaching them lessons of
self restraint, and for their own
sakes I would recommend a
careful adherence to the rules in
force

force, giving them what the rules
allow, but nothing more.

I have the honor to be,
Sir,

Your most obedient servant,

Govt. Agent's Office
31st January 1857

Wm. B. B. B.
Government Agent.

To,

H. Pycroft Esquire
