From I R Boyson Acting Honorable Company's Solicitor
To The Chief Secretary to Government.

January 5th 1857.

Sir

I have the honor to return the paper in
noted in the margin and to state that under
present circumstances I think it would be
very unadvisable to publish the advertisement
suggested by the Government Agent at the park
in his letter of the 30th ultimo N^o 162 or any
advertisement at all. Such an advertisement
would not stay or in any way interfere with
or affect the contemplated sale of the premises
in question, beyond perhaps offering competi-
tion and thereby reducing the proceeds of
the sale. Judging from the Government Agent's
letter N^o 162 and from other information
which I have obtained I think it most
probable that the fact of the premises
having been the property of the late Kabob
of the Carnatic is apparent on the face
of the deed evidencing the title to them
and also, any purchaser will thus have
express notice that the premises did belong
to the late Kabob which is all that can
be of any importance; but even if this
be

be not the case I do not think it desirable that any advertisement should be published or that the Honorable Company should at present interfere in any way with reference to these premises.

I have reason to believe that the late Stabok executed a formal Conveyance of the premises to Ghoolam Mahomed Saib purporting on the face of it to be for value received, but being in fact a mere colourable transfer for the purpose of enabling Ghoolam Mahomed Saib to raise money by way of mortgage upon the premises for the Stabok use and that Ghoolam Mahomed Saib subsequently mortgaged them to Caffi Doff.

The Dewan of the Durbar must be fully acquainted with all the particulars of this transaction and I would beg to suggest that he be called upon to furnish a detailed report of all that he knows or can learn regarding it.

I have the honor to be

Yours most obedient servant
