Report of the Civil Auditor.

With reference to the
Order of Cost in the Political
Department. No 107 dated 18th Mch.
the Civil Auditor has the honor
to report that, under the Order of
Government in the Civil Dept. dated
28th March 1856 & 17th 5, and 8th May
1856. No 177, Inst. Dept. travelling
allowance is not claimable by a
Civil Servant out of employ, and
receiving employment for the
first time after return from for-
eign service, and an Act of in-
complete appointment. The
claim preferred by Mr. H. D.
Phillips to that allowance on
the occasion of his proceeding
to Hong Kong appears therefore
to be altogether inadmissible.
