To

The Right Honorable

George Frances Poles

Lord Harris

Governor in Council of

Fort St. George

My Lord

The humble Memorial of Ayeetool Moolk
Behadur the 2^d and Son in law of Her late Highness
the Noble Saad-oon-Nissa Begum -

It is 20 years since Her late Highness the Noble
Saad-oon-Nissa Begum appointed me Manager of the affairs of
Her Highness's Circar, investing me with the full powers and I discharged
the duties appertaining to my office with good wishes & economy, and
to the entire satisfaction of Her Highness - After the demise of Her Highness,
a detailed list of the Establishment of Her Highness's Circar, called for
by Government, was prepared and delivered to the Bureau of the Durbar,
and I entertained a strong hope that the Government will be graciously
pleased to take my long and laborious services into their favorable
consideration, and grant my monthly salary in full as was fixed and
continued by Her Highness; because I have two kinds of Right and
title, viz: one as the Principal officer of the Circar, another as a
Relative of Her Highness; but to my greatest regret, I learn from the
Minutes of Consultation, dated 19th January 1857 that the Government
have, Causelessly and Contrary to equity, deprived me of my pension -

The Government have granted to Rafatool Moolk Behadur
and Khayrodeen Koodain Khan, the husbands of Her Highness's Grand
Daughters,

their full salaries as paid to them by Her Highness.

Under the foregoing Circumstances, I who am the husband of Her Highness's Daughter, am also entitled to be favored by Government with the same salary as Her Highness used to pay me. Furthermore I have a double claim to my full pension as the Principal officer of Her Highness's Circar. I beg to draw the attention of Your Lordship in Council to the fact of the Government having continued, as a matter of Justice and indulgence, the full salaries to Rajahool Mohlto Bahadoor and others who have obtained their titles merely by relationship to Her Highness; whereas I have derived mine not only by Connection to Her Highness but also as a Principal Officer of Her Highness's Circar. I underwent a good deal of trouble in the performance of the duties appertaining to my office for the above said period of 20 years. Being thus Circumstanced, how is it that I should be deprived of my full salary.

Therefore Pray the Government will be pleased to grant me a pension in the same manner as they have granted to the aforementioned Gentlemen; for which Indulgence I shall
