Not to be folded or roughly handled

Fort Saint George, Public Consultation of 10th February 1857.

No. 34. Read the following letter from Surgeon A. LORIMER, Secretary Medical Board: to the Chief Secretary to Government, dated 29th January 1857, No. 22.

SIR,

With reference to the Extract from Minutes of Consultation, Public Department, No. 89, of date 21st Instant, I have the honor by desire of the Medical Board to transmit for the information of Government, the required Statement shewing the number of sick treated in the Civil Dispensary at Calicut from 1854 to 1856, as compared with the number for 1846.

Statement of Patients treated in the Civil Dispensary at Calicut.

Average Number treated in

1854, 1855 and 1856.....4408

(Signed) A. LORIMER,

Secretary Medical Board.

No 35. ORDER THEREON, No. 188; dated 10th February 1857.

Resolved that the application of the Medical Board for increase of Establishment to the Civil Dispensary at Calicut, be submitted to the Government of India, in the prescribed Tabular form, together with copy of the comparative statement annexed to the Board's letter of the 29th Ultimo, as required by the Supreme Government in their letter of the 12th December 1856, No. 5600, with the recommendation of this Government that an additional Medical Subordinate of the grade of 2nd Dresser may be attached to the Dispensary in question on the following grounds.

Grounds of Proposition.

"It appears that the average number of Sick treated in the Dispensary during the years 1854-55-56 was 4408, the number in 1846 having been 1127. The number, moreover, treated at the Hospital during the past three years has been successively increasing, and during November last, the average daily number of sick was 32 In, and 112 Out, patients, although no epidemic was prevailing, whereas Calicut is frequently visited with attacks of small pox of a peculiarly virulent kind. Additional Subordinate Medical aid is therefore much required."

Dated 10th February 1857

Read again letter from
the Secretary Medical Board
dated 31st December 1856
and recorded, in Consn. dated
21st January 1857.

Read also the following letter from the Secretary Medical Board.

Fort St. George 29th January 1857
No 222.

Resolved that the
application of the Medical Board for increase of Establishment
of the Civil Dispensary
at Cuddapah be submitted
to the Government of India
in the prescribed Tabular
form, together with copy
of the Comparative Statement annexed to the
Board's

I Beg Dr Sir to Report of the 29th Ultimo, as required by the Supreme Government in their Letter of the 12th Dec. 1856 No 5600- with the recommendation of this Govt. that an additional Medical Subordinate of the grade of 2nd Dresser may be attached to the Dispensary on Greenhow Hill on the following grounds

Grounds of Proposition

"It appears that the average number of sick treated in the Dispensary during the years 1854-55-56 was 4408, the number in 1846 having been 1127- The number, moreover, treated in the Hospital during the past year was ~~exceeded 220 per cent~~ more than double the number treated in 1855- and during November last the average daily number of sick was 32 In, and 112 Out, patients, although no epidemic was prevailing- the area is frequently visited with a Species of small pox of a peculiarly severe kind- additional Subordinate Medical aid is therefore much required.
