Sir

M/C dated 24th
Decr 1856 No 530
Political Departt

I have the honor to return the papers
forwarded with the extract from minutes of
Consultation noted in the margin and to advise
that Madanool Omrah do retain in his
custody the property and effects belonging to
the Estate of the late Shah Saow Sing Bahadur
to which he refers in his letter to the Govern-
ment Agent at the date of the 16th ultimo
until Letters of Administration have been
granted by the Supreme Court to one of the
several parties who have applied for such
Letters or to some other party considered to have
a preferential right thereto or a Receiver has
been appointed by the Supreme Court in the
Equity suit now pending for the purpose of
realising the deceased's Estate: and that when
any person claiming to be Administrator or
Administrator or Receiver applies to Madan-
ool Omrah for payment and delivery of the
property in question he be further consulted as
to the right of the party so claiming and his
or her competency to give a valid and effectual
discharge for the property.

I think that this course will further substantial justice as far as is practicable

I am of opinion that the Award or Decree of the Makhamiah Court should not be in any manner recognized or acted upon.

Four different applications for the Grant of Letters of Administration to the deceased's Estate have already been preferred to the Supreme Court, each of the Applicants claiming to be entitled to the Grant in preference to the others as being nearer of kin to the deceased, or otherwise; and I have heard that a fifth application is likely to be made. I do not deem it necessary to trouble Government with any detail of these proceedings as the

trust of Government is in the hands of Madarool Omrah being to ensure the payment and delivery of the money and property to a party legally entitled to receive it and competent to give an effectual discharge for it.

I have the honor to be

for
Your most obedient servant
