Tracts of Orissa
Camp Scordish 28 Febry 1857
No 29

From Captain J. Macvicar.
Agent in the Hills Tracts of Orissa.
To T. Pycroft Esq.
Chief Secretary to Government
Fort St George.

Sir, I have the honor to bring to your notice for submission to the Right Honorable the Governor in Council that while my Assistant Lt. McNellie was investigating a case of Human sacrifice in the Jyppoor Zemindary it appeared on the evidence, that about 5 years ago a party of Sepoys being on their way from Mysore to Chicaole on Turlough, were attacked by a party of Khongars or Dacoits at the village of Kintaggaum of Pootia. Dero of Jyppoor, and robbed of their property including many articles of Regimental kit as also Passports and Pay Certificates. That 2 of the Party (Sepoys of the 3rd Grenadiers) Reported the Circumstance to the Magistrate of the Gooly-goomah District & that the property was eventually recovered and forwarded with the Ringleader of the gang to the then Collector of Jyppoor.

The Government are aware that the Affairs of this Agency have no jurisdiction in cases of this nature, but as the Circumstances connected with the outrage were situated when making a public investigation, and knowing at the same time the inconvenience, delay, and expense, to which the Sepoys must have been submitted.

submitted by the loss of their property. Lieutenant Menzies considered that he was justified in demanding the surrender of the stolen property.

3 After some little delay the property was given up a list of which is attached and marked A; the Rajah stating in his letter that no report had yet been made to the authorities "as the case was still under investigation"; but this evasiveness or indifference is only another instance of the manner in which every thing is conducted in the Jeypoor zemindary.

4 In conclusion I would beg to solicit the orders of Government regarding the disposal of the property.
