Sir,

* Requested to be
returned

I have the honor to enclose communi-
cation received from the Dewan of the Durbar.

2.

I have likewise the honor to solicit you
to draw the attention of The Right Honorable
The Governor in Council to the expressions, and

* "That the Dewan should be left to take his
own course on his own responsibility.
"He will doubtless act under the advice of
his Attornies."

"I further beg to state that Mr Payson has
informed me that this sum is the costs of the first
occasion and that I will again have to pay the
"plaintiffs attorney for the 2nd occasion and
"himself for the two occasions."

Minutes
of

of Consultation No 199 of the 5th Instant
& in that of the Dewan of the Durbar of date
the 25th ultimo.

3 The Right Honorable
The Governor in Council is aware that in
all correspondence with which I have been
furnished Government from the Dewan of the Durbar,
connected with the difficulties which still
surround him, I have suggested same, and
Government have of their own accord
made other references to the Honorable
Company's Solicitor, as one Department
of the State bound to render, in its own
way to other Departments, all the aid in its
power. And by the Chief Secretary's letter to
the Solicitor to the Honorable Company of
date 28th January 1831, it is mentioned to be the
Honorable Court's Order that the Honorable
Company's Solicitor shall render his aid as
a part of his Services to them.

In such cases, Govern-
ment will recognize that any references
which have been made have been so, to the
Honorable Company's Solicitor, & not to any
other, & that, not being entitled by virtue of his office
to make any charge for the references Government
have

have made to him, all that is claimable
are the expenses of the other party, which
should moreover, before being presented,
be taxed by the Officer whose duty it is to
do so.

I have the honor to be,
Sir,
