Sir

To enable me to consider whether any proceedings can be taken with a view to disputing or at all events testing the validity of the claim preferred by Messrs Richardson against Shoolam Mahomed and secured by a mortgage of very considerable Landed property which belonged to the late Nabob (and to which matter I referred in my letter of the 9th ultimo No 77) I have the honor to request that I may be furnished through the Government Agent at Chittagong with "all" the information which can be gathered from the Records of this late Highness' Treasury and Household relative to the transaction in question and all other transactions between this late Highness or members of his Household or other parties acting for him and the Messrs Richardson.

I have also to request that I may be favored with similar information relative to the claim of Rajah Coondun Lall on another

another mortgage of Landed property which belonged to the late Nabob against Ghoolam Mahomed.

The information should be as full and detailed as is possible to make it.
