Sir

In my letter No. 95 dated 29th October 1856, I recommended, and the Right Honorable the Governor in Council, by Extract Minutes of Consultation dated 31st October No. 2409 of 1856, ordered, the houses within the Cheepauk Palace Square to be purchased of, having then no doubt in my own mind that the Cheepauk Palace was Circar property.

2 I have the honor to request the favor of your announcing to the Right Honorable the Governor in Council that the Dewan of the Durbar has reported the purchase of 20 grass huts for Rupees 350 but that there are other 500 houses which people have been allowed to build there, on an annual ground rent, and that the Revenue Estimate their value at Rupees 70,000, being

at

at an average Rupees 140 per house: In my letter of the 24th ultimo, I recommended the adoption of some liberal measure regarding the lots of properties belonging to the Mohamedan people now to be thrown out of Employment, but, as the question of the private or Sircar right to the Chepauk Palace is not to be decided by Government but has been sent for Consideration to the Government of India, and the Palace may be declared private property, I recommend the suspension of all further purchases till the decision be received.—

I have the honor to be,
Sir,
Your most Obedt. Servant.

Read the following letter from Surgeon C.G. Balfour Government Agent at Chepauk dated 5th January 1857 with its enclosure.

Ordered that the Government Agent be informed that the Government approves of the purchase of the 20 Grass Huts within the Square of the Chepauk Palace for Rs. 350 as reported in his letter No. 16 of 1857.

that may suit her purpose, there seems to be no safe mode of proceeding, but to abstain from interference with all.

8. In conclusion I have to request that I may be instructed if I am to consider the Court's injunction as including the landed endowments of the Pagodas and if so whether I am precluded from ordering the usual allowances of grain and money to these public institutions. The Lords would certainly appear not to have been the private estate of the late Rajah, but that they were under his management.
