No 42 of C.A. Government Agents Office
17th February 1857

From

Surgeon C. J. Dalhousie
Government Agent at Chepauk

To

J. Tyroft Esquire
Chief Secretary to Government
Fort St George

Sir,

I have the honor to forward
for submission to the Right Honorable
the Governor in Council, a letter from a
Mookhtar oon Nissa Begum, who claims
the issue, in her own sole name, of Rupees
24,000 per annum; which amount, she
says, as well as a further sum of Rupees 60 per
mensem, was the total of several payments
made to her, during her husband's life-
time; during the Regency, and was ~~ordered~~
ordered to be continued to her by ~~the~~
Highness

Highness the late Nabob, though, in his
turn. Rs 1000 per mensem, Rs 300 Rs 500 &
Total Rupees 1800, were the only payments made
to her & her two Daughters. The Begum, also,
desires the recontinuance of a guard over her
gate, as Azim-oon-Nissa Begum has.

2 A reference to the Circular
letter & list of the 9th & 10th, forwarded in my
letter of the 11th June 1856, will show this lady's
name as a recipient of Rs 1000 per mensem;
and her two daughters Rs 500 per mensem;
total Rupees 1800 per annum, the details she
furnishes are somewhat intricate and
difficult to follow: but the above seems
to be the claim she makes, and the present I
state of her own & her daughters' allow-
ances.

3 I have the honor to report
to the Right Honorable the Governor in
Council that Akbar-oon-Nissa Begum
was

was originally a dancing girl, who was
married by the Rickah Ceremony, to the
father of the late Nabob, and has two
daughters, who are, therefore, the half-
sisters of the late Nabob: and a reference
to the Circular letter & list of the 9th & 10th, for-
warded in my Communication of the 11th
June 1856, will show that the Begum had
a monthly sum in her own name of
Rupees 1000 and her two daughters Rs 500
the remaining three hundred, which the
Begum now states she receives being as
a partaker, to that amount, in the allowance
of Rupees 12000 of the late Nabob's widow, &
Her Highness Khayre-oon-Nissa Begum:
effect never having been given to the offer
and order for the other Rupees 200 per mensem
which she alludes to & which she now
claims. But it does not appear to me that
the Begum can now rightfully demand
what

what she never enjoyed in the time of the late Akab; and her claim for these Rapes two hundred seems, therefore, inadmissible:—

Of the rashes three hundred, obtained from Her Highness Khayre-oon-Nissa Begum's allowance, the authorities are not, as yet, in possession of Her Highness's list of payments, Her Highness, in her letter of the 8th December last, having refused to furnish the same; and as the whole matter of Her Highness's allowance is under examination, this claim of Akab Khan-oon-Nissa Begum, cannot now be examined into.

On the subject of permitting her, again, to draw, in her own name, her own and her two daughters' allowances, the Right Honorable the Governor in Council is aware that the Honorable the Council of Directors, so long ago as 28th January 1854, Commanded such allowance to be drawn

on a separate receipt in accordance with the orders of Government of 26th May 1852—

And I am not able to recommend the grant of a guard, believing such to be wholly unnecessary.

I have the honor to suggest that notice be taken of the manner of Correspondence, such as was issued in Extract Minutes of Consultation, dated 24th January 1854 of 1857 towards Her Highness Khayre-oon-Nissa Begum.

I have the honor to be,

Sir,

Your Most Obedt. Servant

(Dated 17th Feb'y 1857. No 12.)

1. The P. & the Governor in Council have had under his consideration the subject of the address submitted with the foregoing letter, and is of opinion with the Chapman Agent that the claim of Hookster on Hissa Wagon to the sum of £200 ^{represented} ~~represented~~ which she never enjoyed during the life time of the late Kawanab, is inadmissible.
