Chief Secretary to Government

Sir,

On the morning of the 27th October^{Sircar} last, when relieving from further duty the En-
soldiers, the Sircar guards, on duty at the
residences of the two Begums, were not re-
lieved. They have been left standing un-
til now, that, in accordance with the Or-
ders of Government in Extract Minutes of
Consultation N^o 217 of the 13th Instant.
I have replaced them, ^{on the 27th Instant,} by the Commissioned,
non Commissioned and Pri-
vates sanctioned by Extract
Minutes of Consultation
of dates 27th October and 6th
November 1856 for the two
guards, strengths as per
margin.

2 Before relieving the old guards which have been standing, I thought it expedient to withdraw the muskets in their possession, and have the honor to request an early order for the same to be returned into the Arsenal along with the other muskets which had never been issued by His late Highness from his store. The total 40 in number can be sent immediately out to the Arsenal, because they all require certain repairs and we use the numbers of the muskets as arguments.

3 I request the favor of your obtaining the orders of Government or the Military Board to authorize when I shall request the issue of the issue from the Arsenal, arms and equipments as per margin as also the proportion of clothing as issued to our own troops.

To arm the guards brought us as per para 1.

4. I have likewise the honor to submit for the information of the Right Honorable the Governor in Council and for transmission to the Civil Auditor, List of the Officers now commissioned Officers and Privates composing the two guards and their salaries, and have affixed the numbers which they will bear in the Agency's Continuous lists and I propose that their salaries be issued from the 27th October last, the latest date on which ^{most of} them received pay from the
