Sir, With reference to the Orders of

Government No 153 as per margin on the Documents herein

enclosed. I have the honor to report that, in my List No 5 showing the Pensioners of the Carnatic Sircar, (A) "Pensioners" (B) "Neyazat;" (C) "Saadut;" & (D) "Decar," forwarded in my letter of the 31st Ultimo No 27, will be found this individuals

individual's name as follows.

Order of List	Age	Name of person	Occupation	Salary in receipt from his Highness	Date on which payment commenced	Service	Age	Rate of Pension	Remarks
29	20y	Mahomed Saïd	Boycar or not doing duty	30	Februa 1271	2	25	30	A Pale young man son of the Nazee ool moolk pension recommended to be stopped.

2 It would appear from the above that this son of the Nazee ool moolk was granted this allowance only about one year before the Nabob died.

3 The Nazee ool moolk his father is reported to be a very wealthy man of parsimonious habits, ^{of his} recommended for a full rate of pension.

4 In my opinion, formerly expressed, every short service person should have been discharged on the demise of the Nabob, and, certainly, all such people as, like this young man, were mere retainers getting allowances for doing nothing. But I have so fully given all my views regarding the retainers ~~as~~ "Meyazat" "Saadut" and "Bazar" in my letters of the 24th December last

last and 31st Ultimo that I cannot say more regarding them generally; but this young man, individually, has, perhaps, ~~less~~ claim upon the consideration of Government than anyone of all the others mentioned in that List. I have the honor to refer to my letters of 14th & 50 - of this date, regarding this applicant's other relatives, all of whom seem to be impressed with the belief that because their fathers, the Nazee & the Dewan, are Chief Officers all the sons must be so too.

I have the honor to be
 Sir,
 Govt. Agent's Office } Your most obedient servant.
 26th February 1857.
 Edward B. Brown
 Government Agent.
