N<sup>o</sup> 6. of G. A.

Government Agent's Office  
7<sup>th</sup> January 1857.

From

Surgeon C. G. Balfour

Government Agent at Chepauk.

To,

J. Pycroft Esquire,

Chief Secretary to Government

Fort. Saint George.

Sir,

I have the honor to subjoin  
for the information of The Right &  
Honorable The Governor in Council,  
Copies of Correspondence with Prince  
Azem Jah Bahadur.

I have the honor to mention that  
during Her Highness the late Lady  
son's life, attempts were  
made to obtain some knowledge of  
the extent of her debts. This was done  
with a view of determining whether the  
amount she was appropriating in  
liquidation, was sufficient. But as  
Her Highness never would state what  
they amounted to, as this Office has no  
cognizance of the amount of property  
if any, she has left, and as The Right  
Honorable

Honorable The Governor in Council  
in Extract Minutes of Consultation dated  
13<sup>th</sup> October, N<sup>o</sup> 352 of 1856. declared Her  
Highness to be a mere stipendiary of  
the State, and her debts not to be a  
subject for the consideration of  
Government. I forward this corres-  
pondence merely because Prince Azem  
Jah Bahadur has repeated his wish  
to that effect, and will be more satisfied  
with any reply from Government than  
with one from the Agency.

I have the honor to be,

Sir,

Govt Agents Office

Your most obedient Servant, 1<sup>st</sup> January 1857

O A. M. A. Govt  
Government Agent.

To,

J. Bycroft Esquire

Chief Secretary to Government

Fort Saint George

His

His Highness the Prince Azem  
Jah Bahadur presents His Compliments  
to the Government Agent at Chepauk  
and begs to inform him, that it is  
evident from the Minutes of Consulta-  
tion dated 13<sup>th</sup> October last, that the  
Debts Contracted by Her late High-  
ness the Nabal Saeed on Nissa Begum  
will not be liquidated from the Revenues  
of the Coromandel. It is greatly to be regret-  
ted that the Government which assist-  
ed the late Shrooam ul Moolk, and  
Shurfool Amrah, in liquidating their  
debts, should now form such a different  
opinion as shown in the above minutes  
of Consultation, with respect to the  
last debts incurred by Her Highness,  
which have been always included in the  
circars debts. To shew that Her Highness  
debts have been so included and dis-  
charged, The Prince has only to refer  
the Government to the letter of His late  
Highness the Nabal Azem Jah, dated  
25<sup>th</sup> March 1825 and the Prince's letter  
dated the 7<sup>th</sup> December of the said year,  
with the enclosure of a list of the debts,  
to

together with the Minutes of the  
Government, under date the 3<sup>rd</sup>  
February 1826.

The Prince therefore trusts,  
that the Government Agent will kindly  
bring the above Circumstances to the  
notice of Government, who in conjunc-  
tion with the Supreme Government  
will reconsider the matter in question,  
and in so doing the British Government  
will acquire great Fame.

The Prince availing of this op-  
portunity further informs the Agent  
that in consideration of Her Highness  
Rank and reputation, It is indis-  
pensably necessary to defray the prin-  
cipal money for the expenses attendant on Her  
Highness's Tomb.

The Government Agent had  
the

the honor, on the 26<sup>th</sup> September last,  
to submit to Government the question  
of Her Highness the late Nabab  
Begum's debts suggesting their li-  
quidation to which Government re-  
plied in the minute quoted by the  
Highness and it seems to be a final  
resolution.

behind Her, any real estate suffices.
