Sir

I have the honor to forward for the
information of Government Copies of a Judges
Summons granted and Order made in the suit

Kamachee Raje Sahaba } noted in the margin -
The East India Company - } Government will perceive
that by the Order in question

the Injunction granted by the Supreme
Court on the 19th of December last is relaxed
to the extent of not further restraining
the Honorable Company "from realising
"and recovering the rents profits and growing
"crops of and upon the Landed property in
"the pleadings mentioned and referred to."

When I appeared before the Chief
Justice on the Plaintiffs Summons I drew
to His Lordships attention what had been
the effect of the Injunction (as originally
granted) with respect to Landed property and
how serious a loss must and would inevitably
result from a continuance of this portion
of the Injunction; and suggested the
modification

Order of the Court of Directors
of the 13th of 1857

modification above noted. The propriety of this measure was at once acquiesced in not only by the Chief Justice but also by the Solicitor for the Plaintiff and my suggestion was acted upon.

I beg to recommend that notice of the relaxation of the Injunction be communicated to the Collector and Resident at Tanjore in order to his adopting energetic measures for realizing the rents and growing crops of and upon the property in question and doing his utmost to recover arrears.

As soon as the Plaintiff has amended her Bill I will do myself the honor of again addressing Government.

I have the honor to be

Yours most obedient servant
