Sir

In re-enclosing the original Extract from the Minutes of Consultation dated 11th and received in your note of the 16th Instant, I have the honor to state for the information of the Right Honorable the Governor in Council, that in conformity to your suggestion, I did not draw any sums from the General Treasury for the disbursement of salaries of the Sircar servants for January last, but paid them from the balance then in the Sircar Treasury. For February following, nearly Rupees 37,000 were required, but there being still a balance in my hands, I drew only Rupees 23,000 from the General Treasury in March last and paid the Servants. The detail of

of receipts and disbursements in those two months, will be found in the Accounts herewith forwarded for submission to Government.

I would also mention that the sum advanced to Meheroon Nyssa widow of the late Shah Zuvar Jung, has been deducted agreeably to the Order of Government from the deceased's Estate.

I have the honor to be,
Sir
Your obedient servant
