To

The Right Honorable
Lord George Harris
Governor in Council
Fort St. George

My Lord.

We the undersigned Members of the family
of the late Nawab of the Carnatic most respect-
fully beg leave to bring to your Lordship's notice that
we have up to December 1856 received our stipends
without any Damage to our honor and dignity. From
January 1857 the Government Agent granted us
from his Office the receipts for our Allowances in
the form herein appended with Mark A, which
we accepted. The Agent has, since March last,
introduced an other form of printed Certificate appen-
ded with Mark B. We were obliged to accept this
also lest we might incur the displeasure of the Agent.
We now humbly beg to embrace this opportunity to
offer to your Lordship our opinions regarding the
introduction of the new forms.

Yr^{ty}

^{1st}
The adoption of the present mode is
contrary to what was formerly in use in the case of the
Carnatic Stipendiaries, and was set aside in con-
sequence of the late Nawab having disapproved of
it in as much as it was very disgraceful and unbecom-
ing to us - such a practice is observed in the fami-
lies of the Sepoys, but not among the noble families of
the Carnatic; this system leaves no difference or
distinction between the members of the family of
the Nawab and the lowest servants of the Circle
or the Sepoys of the Company - The disgrace which
is being felt by us for the non election of a successor
to the throne to represent the Head of the family
is doubled by the shameful treatment of the
agent in having made us equals to common people
and soldiers -

^{2nd}
No such Certificates are ever required
to be produced by Pensioned Officers of the Compa-
ny's service, or by their widows - nor even by war-
rant Officers or their widows - Formerly warrant
Officers were required to be present at muster and
to draw their stipends on such Certificates -
but about two years ago, it having been repre-
sented

to Government that warrant officers
felt themselves lowered by a practice which
placed them on the same footing as common
soldiers, an order was passed allowing them to
draw their pensions on abstract in the same
manner as Commissioned Officers -

^{3rd}
In adopting the present form we
humbly beg to say that the Government servants
are by no means relieved from the trouble of pre-
paring receipts, for the sub Treasurer would
not consent to pay us our allowances upon the
mere looking at the Certificates signed by the
Agent, without obtaining receipts from us, a
receipt was therefore separately granted to each
of us for the last month from the office of the
Civil Auditor (the form of which is herein ap-
pended with Mark C) and after affixing our
seals to them we drew our stipends - Under these
circumstances we respectfully beg your
Lordship will be pleased to take our case into
your deliberate consideration and to issue
orders to the Government Agent not to adopt
this derogatory measure of granting the Certi-

- fication in our behalf but to grant us every thing we
 hereafter the receipts granted us in January
 and February last. In granting us this our
 humble request, ^{we trust that} the affairs of the Government
 will not in any way be affected and we consider
 that the dignity of the noble family of the
 Carnatic will remain undisturbed. Hoping
 that our endeavours will be crowned with success.

Madras
 25th April
 1857.

We beg to remain
