To the Acting Collector of Malabar: N^o 678. Acknowledges his letter of 20th February and the Extract from Minutes of Consultation N^o 265 of the 5th Idem.

From the Officer Commanding Trichoor: N^o 56 dated 2nd D^o. Reports the outbreak of a fire at Trichoor and brings to notice the gross conduct of Wallapetty Anthony and hopes he may receive some substantial mark of approbation.	Observes that the President has lately visited the Chittoor District and that he found the road in general in excellent order. That the Sirkar have gone to great expense during the last 8 or 10 years in the construction of roads, bridges, and Choultries &c &c and that he believes the roads are equal to those of the adjoining Company's Districts. Points out however that the high road to Cochin from Waddakancherry 6 miles of which are in the Company's Talook, is in a very bad state of repair. The little wooden bridge particularly so, indeed absolutely dangerous for carts to pass over.
