I think the communication
should attend - if there be security
that provision out of the ^{income of the} land is proper
ly to be made for his maintenance
by his husband during his life -
Ily will in case of his death.

This with all deference to the Agent
appears to be a case specially deserving
of the indulgence claimed by Pet. & his
family

family, wh. I learn an inquiry is
highly respectable one are living
on their own lands properly half
of wh. is uncultivated & the Govern-
ment money will enable them
by retaining it to obtain an
income of double the amount of
the pension W^h.

I would allow the
commutation I see
no reason for refusing
it -

Respected Sir,

I beg to acknowledge the receipt of your letter dated 6th April Instant, requesting me to inform you what amount of income I derive from my landed property.

In reply to which I beg to inform you that from the landed property at Cavary Park belonging to my heirs - band named Ganyasur Hoosain Sahib the amount of income including posts is in some years 200 Rs. and at some 250 Rupees -

In consequence of inability of spending proper sum of money to put the said land in good order so as to derive proper income to meet the tax the said land don't yield sufficient revenue. But should the said land be put in good order from

from its uneven state by the owners
cultivation, in spending sufficient
money so that it may be fit for the
purpose in view in that case it
will bring an yearly income of
above the double amount as allowed
above. I therefore request you will
be pleased to buy up my pension of
ten rupees according to the regulations
of 1854, & pay me the accurate
amount, that it may enable me
to lay out a proper sum of money
upon the said land for the benefi-
cial purpose which will be the only
means for me & my children to do
well in this world. In thus doing
it will save me the trouble of
travelling from Canoy Park to
other places for drawing my pension
I therefore again beseech that you will
be pleased to accede to my humble
request. —

2. The case, however, appears to the Govd to be one specially deserving of the indulgence claimed by the Petitioner, and they see no reason for refusing it. The family, which they learn is a highly respectable one, are living on their own landed property, half of which is uncultivated, and the Commutation money which it is stated, enable them by reclaiming it to obtain an income of above double the amount of the pension.

3. Under these circumstances the Govd. think that the application of Fatimah Begum should be complied with, and they accordingly authorise the disbursement

disbursement to her of Rupees (1080) One thousand and eighty in commutation of her stipend of Ten Rupees per mensem.
