30th April 1857.

From Surgeon E. G. Balfour
Government Agent at Chepauk.

To J. Percott Esquire
Chief Secretary of Government
Fort Saint George

Sir,

Para 7 of Extract from the
Minutes of Consultation of the 3rd In-
-stant, N^o 272, was issued with re-
-ference to para 9 of the Honorable #
Court's letter N^o 2 of 1857.

2. In this paragraph, the Right
Honorable The Governor in Council
mentioned that Government would
be disposed to Consider any Recom-
-mendation I might desire to make
regarding the indebtedness of Carnatic
Stipendiary

Stipendiary No 553 Auleyah Begum.

3. After duly considering the ways of these people, the plan which appeared to me the most likely to be of benefit to this indebted lady, was to pay off her debts, for it were hopeless to increase her allowance with the prospect of her doing so herself, by saving from the increase.

4. It will be observed also that her credit is so bad, she pays interest at the rate of 24 Per cent per annum on her debt.

5. I have the honor to subjoin the letter which I addressed to this lady, and her reply thereto in which she mentions Rupees 2,040 as the total amount now due: and recommend the views of the Hon^{ble} Court being carried out by granting to her that amount to liquidate the debts.

6. If this be done I would suggest

suggest she be informed that the object of Government is to secure her comfort and ^{she be} warned against incurring incumbrances for the future. Also with a view to ensure the due fulfilment of the object of Government. I recommend that Carnatic Stipendiary No 1326 Munsoor ood Sowlah and Carnatic Stipendiary No 181 Mirza Gholam Hoossain Sirdar be nominated a committee to gather in the debts, and obtain for her acquittances in full of all demands after which the amount sufficient as above can be drawn.

I have the honor to be

Respected Sir,

In acknowledging the

the receipt of your letter of the 6th
Instant I beg to inform you that
I had at the death of my husband
brought to your notice a true fact of
my husband having contracted debt
to the extent of Two thousands &
Rupees jointly on my responsibility
for defraying his own expenses. I am
out of my stipend of 52½ Rupees
to pay 40 Rupees towards the interest
upon the said principal at 24 percent
per annum from December 1855 to
March last. The balance of 12½ Rs.
being hardly sufficient for my main-
tenance I was obliged to become &
involved in a further debt for maintaining
myself in a more decent manner,
which with that of my husband &
amounts two thousand six hundred &
Forty Rupees growing due upon
me. I beg to request you would
kindly remove this load from my
shoulders.

shoulders. For which obligation I
shall for ever feel much grateful.

I beg to remain
Respected Sir
Your most obedient servant
