Message from Hyderabad 23rd To Madras.

 From Resident To Secy to Govt

Number of Words 72 Service Repetition Price

I strongly recommend that measures be taken to prevent the telegraph being, for the present, made a medium of communicating political intelligence regarding affairs in the North West by Private individuals. It is however desirable that Government should notify to the Press the passing events. A New paper Extract from Bombay, apparently of an exaggerated nature, has created considerable excitement in the City of Hyderabad. No disturbance of the Peace is however anticipated.
