From W. Robinson Esq^r. Acting Collector

to Government, Fort Saint George, dated 15th December
1856, N^o 124. —

Sir,

In reference to the order of Government,
dated 10th August 1855, on the endorsement of the
Collector of Malabar, dated 28th July 1855, on the
Petition from Veera Wammah Rajah of Tellicherry,
N^o 1248 of 1855, I have the honor to report that that
branch of estate family residing at Tellicherry

From Chendras Shungaren, Veera Wammah
Rajah, of the late Keyak Kaulagom in
the Botteyom Talook; to T. Clarke, Esq^r,
Collector of Malabar, dated 3^d November
1855. —

Respected Sir,

I have received the order
under date the 10th Instant which came to hand
on the 16th, and have understood its contents.

From the year 1028 to Shanno 1030, I received
at the Northern Lookaddy Treasury the entire
amount of Pension viz. Rupees 1000, and furnished,
pursuant to the orders of Government, a receipt on
each occasion particularizing the amount which
each individual agreed to receive as his share.

Unless each member had consented to
receive a certain specific amount as his share,
the late Collector would never have issued an
order directing the payment of the pension. This
is the main point for consideration in this case,
a point which was subsequently entirely lost
sight of by the late Collector. It is through the
instrumentality of my enemies, whose sole
object is to ruin my estate, that my sister
Lebame Gopally Ramee is raising disputes at
present in opposition to the rules and practices
hitherto observed. Each member having once
consented to receive a certain specific sum as
his share, any claim to a greater share can only
be now decided by a civil action, and it is,
but

but just that the whole amount of pension
should be paid to me as heretofore. The late
Collector, without adopting this course, but
simply relying on the Petitions presented by
the aforesaid Lebame Gopally Ramee, with-
held payment of the pension and addressed
several letters to me suggesting the propriety
of paying a greater share to her on obtaining
a separate receipt from her; and although
I submitted explanations on the subject, still
they did not meet their consideration which
they merited. On reference to the Minutes of
Consultation, under date 23^d December 1851,
it will be apparent that Government have no
objection to paying to me the entire amount of
pension on obtaining receipts from me to that
effect, as was done from the year 1028 to Shanno
1030. On the 23^d Meddom and 1st Karakadagom
1030, I addressed Petitions to the Government
praying that the amount of pension might be
paid on obtaining a single receipt from me,
to which I received an answer under date 15th
August 1855, to the effect that the late Collector
had been called upon to submit the papers connected
with this case, and that orders would be passed
after a reference to the same; hence my omission
to send an answer to the last order, I have also
addressed the Honorable Court of Directors
on the subject.

Under these circumstances I most respectfully
beg your Worship will be graciously pleased to
take

take these circumstances into favorable consideration, refer to the records, and pass an order directing the payment of the pension as formerly; thereby affording protection to my Kowilagon.

Order thereon, N^o 41, dated 12th January 1857.

The Government authorize the Acting Collector of Malabar to disburse the pension of Rupees (1,100) One thousand one hundred per annum payable to that branch of the Vastike family residing at Tellicherry according to the distribution made with the concurrence of the several members, as reported in the foregoing letter, being in lieu of the arrangements sanctioned by the Resolution of the 16th August 1853, N^o 306. -

J. Clarke Esq^r
Collector of Madabar.

Respected Sir,

I have received the order under date the 10th inst.
which came to hand on the 15th and have understood its content.

From the year 1828 to 1830 I received at the
Northern Trokedy, Treasury the entire amount of Pension vizt
Rupees 1000 and furnished, pursuant to the orders of Government, a
receipt on each occasion particularizing the amount which each
individual agreed to receive as his share.

Unless each member had consented to receive a cer-
tain specific amount as his share, the late Collector would never have
issued an order directing the payment of the Pension. This is the
main point for consideration in this case a point which was
subsequently entirely lost sight of by the late Collector. Alas for
the instrumentality of my enemies whose sole object is to ruin
my estate. That my sister Sitshnee Gopaltee Nance is raising
disputes at present in opposition to the rules and practice
hitherto observed. Each member having once consented to receive a
certain specific sum as his share, any claim to a greater share
can only be now decided by a civil action, and it is but
just that the whole amount of Pension should be paid to me
as heretofore. The late Collector without adopting this course,
but

but simply, relying on the Petitions presented by the aforesaid
Sethna Gopally Rance, withheld payment of the Pension and
addressed several letters to me, suggesting the propriety of paying
greater share to her on obtaining a separate receipt from her
and although I submitted explanations on the subject still they
did not meet that consideration which they merited. In reference
to the minutes of Consultation under date 23rd December 1834 it
is to be apparent that Government have no objection to paying to
the entire amount of Pension on obtaining receipts from me
to that effect as was done from the year 1828 to Purnoo 1830.
On the 23rd Medony and 1st Poothadagom 1850 I addressed Petitions
to the Government praying that the amount of Pension might be
paid to me on obtaining a single receipt from me to which I received
an answer under date 15th August 1855 to the effect that the "late"
Collector had been called upon to submit the papers connected
with this case and that orders would be passed after a reference
to the same since my omission to send an answer to the last
order. I have also addressed the ^{Honorable} Board of Directors on the subject.
Under these circumstances I most respectfully
