No. 39. Read the following letter from H. D. PHILLIPS, Esq, Commissioner of Tanjore; to E. MALTBY, Esq, Acting Chief Secretary to Government, Fort Saint George, dated 10th June 1857, No. 184.

SIR,

1. Adverting to my letter, dated the 11th Ultimo, No. 176, on the subject of a Gratuity payable, under the Rules, to Doctor Brooking, Durbar Surgeon of His late Highness the Rajah of Tanjore, I have the honor to state that on looking over the papers connected with the debts of the late Rajah, I observe that Dr. Brooking is considered by the Sirkele to be indebted to the Raj in a sum of Rs. 32,000. The correctness of the Account is disputed by Dr. Brooking, who believes that the only amount for which application can justly be made to him, is about 5,000 Rupees and against this he contends that there is a set off which will go far to clear the balance and perhaps leave a difference due to himself.

2. In the present position of the affairs of Tanjore, enquiry into the numerous debts of the Rajah would seem to be out of the question, and in this view, I have abstained from entering on it. But it is possible that the Government may be of opinion that any Gratuity to which Dr. Brooking may be declared entitled, should not be disbursed to him until the Sirkele's claim has been adjusted.

3. In such case, however, it will perhaps be proper, to continue to Dr. Brooking the salary of Durbar Surgeon and retain him on the pay list until the adjustment of the claim; for many of the minor Servants of the Raj who have recently been pensioned or dismissed with gratuities, are likely on an examination of the "Vasacut" or advances' lists to be found indebted to the Rajah's Treasury in sums of different amounts, although of course they will be trifling when compared with the sum stated to be due by Dr. Brooking.

(Signed) H. D. PHILLIPS,
Commissioner.

No. 40. ORDER THEREON, No. 462; dated 16th June 1857.

Under the circumstances represented in this letter the Commissioner is instructed to defer disbursing to Dr. Brooking the Gratuity sanctioned by Government until further Orders, meanwhile the Salary of Durbar Surgeon may be continued to Dr. Brooking, but Government wish he Sirkele's claim against him to be at once enquired into and reported upon.
