No. 56. To the Right Honorable G. F. R. LORD HARRIS, Governor in Council, &c., &c., &.,
Fort Saint George, dated Triplicane, 12th May 1857.

The humble Petition of Zaheerood Deen Hoossain Khan Bahadoor.

MOST RESPECTFULLY SHOWETH,

That the Petitioner with due respect and humble submission begs leave to address himself to your Lordship in Council that he had submitted a Petition to the Government Agent on the 23rd March 1857, requesting the amount of the sale of his pension. The Government Agent has endorsed it that this gentleman having appeared he acknowledges to be in debt to the extent of some hundred Rupees. He is fifty years of age and upwards and paralytic from the loins downwards. The Agency cannot think it advisable for him to sell his Stipend. In reply that the excuse of the sickness of the legs which is the Perpetual disease of the Petitioner from these last 20 years, and of fifty years of age, are not proper excuses in obedience to the Orders of the Honorable Court of Directors, dated 25th August 1852, and to the publication of Orders, dated 15th December 1854, and of little debt which has lately occurred by the famine of four years and by paying regular rents for his land which is in Kulvah at the Talook of Arcot, but the liquidation of that is on the Revenue of the same moreover it is very trifling in proportion to his property and estate. Although the Petitioner expressed the sincere account of his condition but to catch hold of it and not to consider every man's power and respect and to admit those circumstances into the line of excuses is it a justice. The Petitioner would not sell his Pension, had it not been ordered for his life. In inhabiting at Madras he suffers too much expences and the loss of the Revenue of the said land. Therefore the Petitioner humbly hopes your Lordship in Council will be pleased to take his request into your Lordship's favorable and merciful consideration and to give order to buy up his Pension. In doing so, the Petitioner will abandon the Madras and go to his Jagheer and spend money for the population of the said land whose tax is lessened by your Lordship in Council and which will be the means of supporting his family and he begs to enclose the endorsement of the Honorable Board of Revenue, dated 26th November 1856, for your Lordship's kind perusal with a firm hope of obtaining redress for which act of benevolence the petitioner will as in duty bound ever pray.

No. 57. ORDER THEREON, No. 492; dated 23rd June 1857.

Government observe that the reasons given by the Agent for his refusal to entertain Petitioner's prayer are, that the Petitioner is fifty years of age and afflicted with paralysis from his loins downwards, and that he is somewhat in debt.

2. The Government are of opinion that there is nothing in these circumstances to bar his claim to the privilege conceded by the Honorable Court to Carnatic Stipendiaries in general. The Petitioner is the son of the late *Jaghiredar* of *Calway* in North Arcot. Very recently the high rates assessed on certain topes and lands held by him at *Calway* were, on the recommendation of the Board of Revenue, reduced and the rent of the whole was limited to a *Bilmuetah* of Rupees 97-5-11. Petitioner states that his debts have in part arisen from the high assessment he has hitherto been paying, and that his desire in commuting his Stipend is to have at his disposal Funds available for the improvement of his now valuable property.

Extract from the Minutes of Consultation, 8th December 1856, No. 1289, Revenue Department.

3. That he is partly paralized is true, but the complaint has not incapacitated him from attending personally to his affairs, nor is his intellect impaired. The Government are of opinion that his case may properly be dealt with under the Honorable Court's Orders, and they resolve to direct the Agent to submit the application for sanction in the usual way and with as little delay as possible.

Honorable Court, April, No. 3 of 1856, Pol. Para : 41.
