Fort Saint George, Political Consultation, 14th July 1857.

No. 28. From the Honorable Company's Solicitor; to the Acting Chief Secretary to Government, Fort Saint George, dated 13th July 1857, No. 406.

SIR,

I have the honor to request that the Commissioner at Tanjore may be asked to furnish me with a list of all *Original* papers referred to in Mr. Ritchie's opinion under date the 30th of May last, which are now at Tanjore; to state where and in whose custody such Original papers now are, and to furnish me with copies as any of these papers of which copies have not already been transmitted to Government. The Original papers should not at present be forwarded to Madras: they must be brought hereafter by such of the witnesses coming from Tanjore as properly have the custody of them or can prove that they come from the proper places of deposit, &c.

I have further to beg that the Commissioner may be requested to furnish me with a detailed list of all Papers, Documents, Genealogical Trees and other Records which in any way evidence the fact of Soojan Bhoje's having been placed on the Musnud on the death of Bavah Saib and the circumstances under which she was thus elevated and subsequently deposed. I should be furnished with this information as soon as possible and the Commissioner should make such search amongst the Records as will enable him to afford it.
