Acting Chief Secretary to Government
Fort St George.

Sir,
In reply to the enquiry contained in Extract Minute
Counsellation under date the 22^d. May 1857. I have the honor
to state that I see no objection to the return of the family
of the late Sri distant Rajah Pillai either to this District
or Cutchak, the latter would perhaps be the more preferable
location, a small monthly stipend of Rupees 10 would
I think, be ample, this might be reduced one half, at
the decease of either the wife or uncle.

Extract from L. dated 20 July 1857.

Think the following letter
from the Act's Agent in Ganjam } here entered 3^d July/57.

From Secy. Govt. of India

17th Aug/57.

The Supreme Govt. has left it to
the G. in C. to make such arrange-
ments for the disposal of the family
of the late Raja Pilla, of Cuttack,
who recently deceased at Vellore,
where he had been placed, at the

desire of the Govt. of Bengal, under
the surveillance of the Brigadier com-
manding, as might seem desirable
into reference to the present state
of Goomsoor & its vicinity, the
Act's Agent was referred
to the Act's Agent in Ganjam.

2. Mr. Knowlton has reported that there
was no objection to the family re-
turning either to Ganjam or Cuttack.
"though" he has been with the
"hope to be more preferable location"
He has also given his opinion as to
the rate of pension proper to be
assigned, but on this point the Govt.
did not consult him.

3. The G. in C. resolves now to call
upon the Brigadier from Vellore
to ascertain from the family mem-

refers to what part of their
 native country they wish to
 return. The Brigadier will also
 report the amounts suitable as a
 Pensionary allowance to each mem-
 -ber of the family, the Supreme Govt.
 being satisfied - desire to have the
 opinion of his Govt. on that point.

The family, as originally comprised
 from Cuttack, consisted, the Rajah
 inclusive, of five persons. The
 Prisoner was accompanied by his
 wife, his son, and two male
 relatives. The allowance for the
 whole was 30 Rs. a month.

The number is now reduced to
 three, the widow, the son and
 one of the relatives, by name Buch
-bhadra Samant. It will be
 proper therefore to appropriate a
 smaller sum among the
 survivors. As he is the only one

of the Rajah, it is suggested, the Govt.
 should pay the whole allowance to the
 family, "pending the receipt of
 instructions".
