My dear Agost,

Dear Lord Harris says
is good as to write to me
regarding my asking for
Providence, he said that
he wished me to come to
Madras a few days before
Providence sent.

I have heard from
Philip that he perhaps
that Hargreaves to
receive charge of the
Mentoring, on Friday &
to come on to Tasigna.

with the view of leaving me
I think that it will
be sufficient if I re-
main with him till
Tuesday evening, and
I purpose therefore to leave
Savannah, and take
to be at Madison on Friday
night. His usual leave
are Saturday, Sunday,
and Tuesday, in which
I will be at home, and
on Wednesday I purpose

21
to be at home.
I wrote further with in-
order that, if anything
should have been decided
before, without me, as
he sent to Phillips & me,
regarding necessary &
receiving chairs of the
Commissioner's Office.
My schedule are all
ready as far as I can
prepare them before
leaving from A. Brown,
and will be distributed

as come in I received one.
 - From the Librarian I have
 addressed to him. I
 particularly want
 a reply to my letter about
 the Librarian - the Brothers
 are all complaining that
 their work is being ruined
 but I will write out what
 myself, and all have and
 hear -
