POLITICAL DEPARTMENT.

No. 689.

Extract from the Minutes of Consultation under date the 27th August 1857.

Read the following letter from the Honorable Company's Solicitor ; to the Acting Chief Secretary to Government, Madras, 27th August 1857, No. 469.

SIR,

With reference to the letter noted in the margin, I have the honor to request that the Commissioner of Tanjore may be directed to forward to Madras, with the least practicable delay, all the original Documents, specified in the List, No. A, which accompanied his letter to Government above noted. These original Documents

should be left with the Registrar of the Supreme Court within one week from the filing of the Affidavit called for by the order of the Supreme Court, dated the 24th Ultimo, and I hope to file this Affidavit before the end of the current week.

The "whole" of the Manuscript History of the Rajahs of Tanjore, had better be forwarded to Madras.

I also think it desirable that the Commissioner should inform you by return of post (in order to your making the required Affidavit) that he has had the Records of the late Rajah, the Records of the Commissioner's Office, and the Records of the Resident's Office carefully searched and that no Documents, Papers, or writings bearing upon, or relating to any of the points mentioned in the Supreme Courts' order of the 24th Ultimo, other than those specified in the Commissioners' List, No. A, and the Lists of property made subsequent to the Rajah's death (to which the Commissioner does not allude) have been found or discovered.

It will be well also for the Commissioner to send you (and by return of post if possible) a Memoir of all the Lists (English and Native) of property (Draft and otherwise) which were made after the Rajah's death and are in the Commissioner's Office with a copy of the Heading of each. I assume that no such Lists are in any other Department than the Commissioner's Office.

(Signed) J. R. BOYSON,

Honorable Company's Solicitor.

1. Ordered that a copy of the foregoing letter be furnished to the Commissioner of Tanjore, with instructions to forward to Madras without loss of time all the original Documents specified in the List, No. A, which accompanied his letter of the 17th Instant, No. 207, and also the whole of the Manuscript History of the Rajahs of Tanjore referred to in the 2nd para : of the Company's Solicitor's communication.

2. The Commissioner is also requested to make by return of post a communication to the effect suggested by Mr. Boyson in the 3rd para : of his letter, and to furnish a Memorandum of all the Lists* of property which were made after the Rajah's death and which are in the Commissioners' Office or any other Department with a copy of the Heading of each.
