POLITICAL DEPARTMENT.

No. 715.

To

THE COMMISSIONER OF TANJORE.

SIR,

The Honorable Company's Solicitor has applied for "that part of the Treaty of 25th October 1799, which was signed by Rajah Serfojee," and considers it of great importance that it should, if possible, be found and used as evidence in the Suit of Kamatchee Boye Sahiba, which is coming on for hearing on or about the 23rd of this month. It appears from a Memorandum in the Government Record Office that "the ratified Treaty received in a letter from Bengal 26th November 1799, was forwarded in a letter to the Resident at Tanjore 17th December 1799." I am accordingly instructed to enquire whether this Treaty, which appears from the Resident's letter of the 4th January 1800 to have been delivered to the Rajah according to instructions, is to be found among the State Documents and Records of the Rajah, and if so, to request that you will obtain and transmit it without delay, to enable me to comply with the application of the Company's Solicitor.

2. I am also instructed to enquire what original Treaty executed at that period is in your Records, showing the terms on which the Administration of the Tanjore Territory was made over to this Government.

I have the honor to be,
