Fort Saint George, Political Consultation, 8th September 1857.

No. ~~46~~ From the Honorable Company's Solicitor; to the Acting Chief Secretary to Government, dated September 5th, 1857, No. 504.

SIR,

With reference to para. 8 of letter from the Commissioner of Tanjore to Government dated the 1st instant and numbered 212, I have the honor to request that the Commissioner of Tanjore may be moved to furnish me (as requested in the last para. of my letter to Government of the 27th ultimo, No. 469) with *exact copies of the Headings* of all Lists (English and Native, draft and otherwise) of property left by the late Rajah, which were made after the Rajah's death, and are now at Tanjore.

I have no doubt that the Plaintiff's object in applying (as she recently did) for the production of all Lists of property made under the orders of Government and its officers subsequent to the Rajah's death was to shew (if possible) by comparison and such a course be permitted, that at different times the officers and servants of Government have described and classified the same property in different ways, inconsistent and at variance with each other and with fact; and to lay the foundation for cross examining Mr. Forbes and such other witnesses as we may produce who assisted Mr. Forbes in preparing the schedules.

I am therefore desirous of being in a position by previous examination and comparison to contradict and rebut any assertion to the effect above mentioned that may be made, and with this object requested to be furnished with the "Headings and Memoranda" in question.

I should not have applied for the information had I not considered it needfull.

(Signed) J. R. BOYSON,

Honorable Company's Solicitor.
