

Fort Saint George, Political Consultation, 15th September 1857. |.

No. 29. From the Honorable Company's Solicitor; to the Acting Chief Secretary to Government, dated 5th September 1857, No. 503.

SIR,

I have the honor to acknowledge the Extract from Minutes of Consultation noted in the margin, and to state as my opinion that it would be unadvisable to pursue the course suggested by the Inspector General of Ordnance and Magazines in his letter to Government of the 29th Ultimo, No. 290, with reference to the Ordnance and Stores, &c., of the Carnatic Sircar.

I think it expedient that the nature and position of the property of the late Nabob (whether public or private) should not be altered by any act of Government until the contemplated measures for the arrangement of the late Nabob's affairs have been concluded, and the position which the Honorable Company shall assume, and the rights they shall assert, (whether with respect to property *generally*, or to public or state property as distinguished from private or personal property) have been matured and decided upon.

I also think that the adoption of the Inspector General's recommendation might lead to future embarrassment and litigation which it is very desirable to avoid.

(Signed) J. R. BOYSON,
Honorable Company's Solicitor.
