POLITICAL DEPARTMENT.

No. 774.

*Extract from the Minutes of Consultation, under date the 14th September 1857.*

Read the following letter from the Honorable Company's Solicitor; to the Acting Chief Secretary to Government, dated September 14th, 1857, No. 538.

SIR,

With reference to the letter noted in the margin, I have the honor to report that the Sheriff of Madras will by this day's post, despatch a letter addressed to Gopal Ramajee, care of H. D. Phillips Esq., Commissioner, Tanjore, and containing a copy of a subpoena, to appear and give evidence at the hearing of Kamatchee Bhoyee's Suit against the Honorable Company.

As soon as this letter reaches the Commissioner of Tanjore, he should forward it to Gopal Ramajee, and intimate to him, that on behalf of the Honorable Company, he is prepared to pay his travelling and other expences, and to make the necessary arrangements for his proceeding thither.

A subpoena issued from the Supreme Court cannot be served in the manner suggested by the Commissioner, excepting under a special Deputation granted by the Sheriff, upon a Judges order, and upon security given, and this course I do not think it necessary, in the present case, to adopt.

I beg to request that the substance of this letter be communicated to the Commissioner.

(Signed) J. R. BOYSON,  
*Honorable Company's Solicitor.*

Ordered that the foregoing letter be communicated to the Commissioner of Tanjore, for his information.

(True Extract and Copy.)

*Acting Chief Secretary.*

To the Commissioner of Tanjore.

It had been my intention  
to write you today

I find that it will not  
be possible to get any  
letter off in time for the  
boat as it passes through  
at about 1 p.m. Will  
you then kindly tell  
Wayson that one of  
these named Gopal Ramaji

to accompany the other

to go. There seems then to be  
nothing for it, but to send

on him. Very likely such  
service may not be so formal  
and lawful as Mr. Herryman's  
would be; but for all the  
ends in view it will be  
equally effective, as I shall
