Fort Saint George, Political Consultation, 22nd September 1857.

No. 19. From Surgeon E. G. BALFOUR, Government Agent at Chepauk ; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort St. George, dated 2nd Sept. 1857, No. 257 of G. A.

Sir,

In Para : 16 of Extract Minutes of Consultation, No. 567 of 23rd Ultimo, it was ordered that the Carnatic Circar Servants required to remain in charge of Circar property should so remain, in receipt of full rates.

2. As some of these servants will have been pensioned under the orders in the same Extract, I submit, as desirable and as the course followed here, that such pensioned servants as have been retained in receipt of full allowances, have, from the date of being pensioned, been brought on our books as the Carnatic Stipendiaries of 1855, and the differences between the amount drawn as pension and the full rates allowed, have been drawn on a monthly abstract.

3. This facile course admits of the immediate reduction to his pension from the date that the stipended individual shall cease to be employed as a servant of the Government, or shall have delivered over the custody of the property in his charge, and I recommend it to be adhered to, in each District.

Government Agent.
