No. 1. From the Commissioners Investigating the Debts of His Highness the late Nabob of the Carnatic; to E. MALTBY, Esq., Acting Chief Secretary to Government of Fort Saint George, dated 12th September 1857, No. 93.

SIR,

With reference to Extract Minutes of Consultation, 24th April 1857, we have the honor to report that we have examined also the matters submitted to us in para: 8, and upon such examination it appears that the six persons named in the subjoined list, proved their claims in several Departments; that certain sums were allowed to them and intimation of the same given with a view to being paid by the Government Agent at Chepauk. It appears that although they performed duties in the several Departments, yet the Salaries to three of them were to be paid by Her Highness the Begum and a portion of the Salaries of the three other persons were to be also paid by Her Highness the Begum, so that of the sum of Rupees 4,487-8-0 allowed to these individuals, the sum of Rupees 2,000 was in accordance with the Accounts of the Circar chargeable against His Highness the late Nabob, and the balance or sum of Rupees 2,487-8-0 was chargeable against Her Highness the Begum, also that a sum of Rupees 330 per mensem was deducted from the income of Her Highness the Begum, that other payments were made during the year 1855 from the Circar Treasury to the parties mentioned in the subjoined list, to the extent of Rupees 482-8-0, which amount should have been charged against the Begum, making a sum of Rupees 2,970 for nine months to be deducted from the sum of Rupees 90,933-6-0 reported as due to Her Highness, which sum will therefore fall to be reduced to Rupees 87,963-6-0. We have given intimation of this to the Government Agent at Chepauk.
