Fort Saint George, Political Consultation, 29th September 1857.

No. 3. From the Commissioners investigating the Debts of His Highness the late Nabob of the Carnatic; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 15th September 1857, No. 94.

SIR,

In obedience to the orders conveyed in Extract Minutes of Consultation, dated 16th July last, No. 551, we have the honor to report to the Right Honorable the Governor in Council, that, on examining the Accounts of the Department, Mudud-i-Khurch, we find by our Proceedings of 25th and 28th February last, that the sum of Rupees 15,406-0-6 was credited as having been paid on account of the Salaries of the same Department, during the months of January to September 1855, both months inclusive; that during the month of November 1855, a further sum of Rupees 6,962-4-0 was paid on account of wages due to the same Department, between January and 1st October 1855, and that there was not any sum of money paid during the month of June 1855, for May 1855, the Abstracts for May 1855, amounting to Rupees 7,440-8-0.

Also that the payments amounting to the sum of Rupees 15,406-0-6 includes the Rupees 6,962-4-0 which were paid in November 1855.

Also in our Proceedings under the orders of Government of 24th April last, No. 318, when verifying the services of parties claiming in the said Department during the 9 months, January to September 1855, inclusive; we find that the wages due for May 1855, were paid to each party and the claims made for May were not allowed by us as it appeared from the Treasury Records that the same had already been duly paid.

The claims for October we have not examined into, as the Accounts now under our investigation are closed to 30th September 1855, His Highness the Nabob having died on 7th October, and we have not extended our enquiries considering the further payments were made under the responsibility of the Dewan of the Durbar.

The amount of arrears included by us in the general amount due for 1855 to the Department, Mudud-i-Kurch, is the difference between the sum of Rupees 6,981-4-0 given as paid in the Government Agent's letter of 8th July 1857, No. 193, and the amount of the Abstracts for May Rupees 7,440-8-0, *viz.*, Rupees 459-4-0.

We find, also, from the Treasury Chittahs that the sum of Rupees 395-12-0 was paid for the wages of October 1855, to the following individuals:

1855	November	8th	Paid	Abdool Kadir (a Sadat).....	Rs. 8 0 0

					<u>Rupees 395 12 0</u>

and we do not find that any other sum was paid for the wages of October 1855.

No. 4. ORDER THEREON, No. 811; dated 23rd September 1857.

It appears from the forgoing report that the wages due to the Servants of the Sircar Department, "Mudud-i-Khurch," for the month of May 1855, had been paid to them, and that the claims advanced on that account were not in consequence admitted by the Commissioners. Moreover that only a sum of Rupees 395-12-0 has been paid out of the amount due to the above Establishment for the month of October 1855. The receipts of the Department for this month are said to be now with the Accountant General, who has the examination of the Accounts of the Dewan.

2. The Government resolve therefore to communicate the Commissioner's report to the Accountant General with reference to Extract Minutes of Consultation of the 16th July last, No. 5: and to request that he will state what amount is still due to the Mudud-i-Khurch Establishment on account of their Salaries for the month of October 1855, in view to the necessary sanction being given for the disbursement of those arrears.
