Fort Saint George, Political Consultation, 29th September 1857.

No. 25 From the Inspector General of Ordnance and Magazines; to the Secretary to Government, Military Department, dated 15th September 1857, No. 344.

SIR,

Referring to Minutes of Consultation, No. 367 of date 9th September 1857, on the disposal of 22 Maunds of Sulphur now at Coimbatore, I have the honor to state that taking the Maund referred to, as the Madras Maund, there is no objection to the 22 Maunds being sent to the Arsenal at Trichinopoly, if Government deem this measure necessary; but as Natives use Fireworks to a considerable extent and their discharge is beneficial to the Public health, perhaps Government may, under the Notice of 14th August 1857, authorize a License to be granted for its protection for the purpose of making Fireworks. If however it be advisable to be taken over, I beg that the Collector of Coimbatore may be requested to send a sample of the Sulphur to be valued, also a Memorandum of the rate at which the Owner wishes to have it taken over by Government.

(Signed) G. BALFOUR, Lieutenant Colonel,
Inspector General of Ordnance and Magazines.

No. 26. ORDER THEREON, No. 822; dated 25th September 1857.

As the Inspector General is not in want of the Sulphur, resolved to direct Mr. Thomas to issue a Licence for its protection, *i. e.*, the Sulphur may be retained by the Owners, but not sold, until further orders.
