The Commissioner at Nagpore.

SIR,

I have the honor to inform you that this Government is taking measures to increase the efficiency of its Artillery by horsing all its batteries, but as difficulty is experienced in obtaining a sufficient number of horses, it has occurred to the Right Honorable the Governor in Council that the arrangement would be expedited with respect to the European Battery at Kamptee if the horses and harness of the Artillery of the Nagpore Irregular Force could be made over to it. I am therefore directed to bring the subject under your consideration, and to state that if these horses and harness are found to be available, the Officer Commanding the Nagpore Force will be prepared to receive and use them for the purpose indicated.

I have the honor to be,

Sir,

Your most obedient servant,
