SIR,

1. With reference to the Notification of Government of India which appeared in the Extraordinary Gazette of Fort Saint George of the 28th Ultimo, I have the honor to bring to the notice of Government that sale of Sulphur in this District is very small, and to request that you will be pleased to inform me of any stated quantity which in the opinion of Government requires to be protected by a License.

No. 27. 25 ORDER THEREON, No. 846 ; dated 3rd October 1857.

Under the order of the Government of India, all persons possessing Sulphur are to report the circumstance and the proper course then is for the Officers of Government to grant a License for its protection. No particular form is necessary for this License, which need only detail the quantity of Sulphur, its place of deposit and Owner's name, with a Notice that it will not be interfered with so long as it is neither sold nor transported in contravention to the order.
