No. 27. From the Honorable Company's Solicitor; to the Acting Chief Secretary to Government, dated 16th October 1857, No. 609.

SIR,

Extract from the Minutes of Consultation, dated 6th October 1857, *No.* 855, *Political Department.*

With reference to the Extract from the Minutes of Consultation, noted in the margin, and to previous correspondence and orders on the same subject, I have the honor to suggest that the Government Agent at Chepauk be called upon for a Statement of all the Landed Property and Houses which belonged to the late Nabob of the Carnatic and are now alleged to be under mortgage by Ghoolam Mahomed Saib, to the Messieurs Richardson; and that such Officers as Government may think fit to select for such duty may be directed to furnish valuations of all such Property and to submit their opinions as to the public or other purposes for which the several Properties could be made available or the mode in which they could be dealt with (by Subdivision and re-Sale or otherwise) in the event of Government purchasing them or any of them.

I have reason to believe that all the Property above referred to, will be put up for Sale, by Public Auction, in the Office of the Master of the Supreme Court, at a comparatively early date, and I now trouble Government with this application in order that I may be furnished in sufficient time with the views of Government as to the Properties for which and the prices to which I shall bid on behalf of the Honorable Company, to ensure their realizing their fair Market value.

(Signed) J. R. BOYSON,
Hon. Co.'s Solicitor.
