Fort Saint George, Political Consultation, 12th March 1858.

No. 53. From Captain J. G. Russell, Officiating Agent to the Governor of Fort Saint George at Kurnool; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 9th December 1857, No. 33.

SIR,

I have the honor to submit an application from Balaprasad, Persian Head Moonshee of this Office, for the grant of a Pension supported by a Medical Certificate that he is incapacitated for further Service by old

age. 2. The Services of the Applicant are shown in the annexed statement which has been prepared from a return kept in this Office. He held the High Post of Treasurer during the time of the late Nawob for upwards of 24 years with unblemished character, the Applicant enjoyed the entire confidence of the several Commissioners* under whom he has served, and I am able to add my own testimony in his favour.

3. A similar provision in old age was made for the individuals as per margin,† under exactly the same circumstances and of this class three only remaining who are actively employed, I do not think any inconvenient precedent can be established while recognition of long and faithful services will be duly appreciated.

4. I have ascertained from Balaprasad that he has attained the age of 62 years and from his appearance I see no reason to doubt the truth of his statement.

5. In conclusion I earnestly recommend this case to the favorable notice of Government and that the Applicant Balaprasad be granted a Pension for life of 25 Rupees per mensem, being one half of his present pay.

* Messrs. Bayley, Scott, Phillips, Lushington, Conway and Daniell.

This is to certify that I have examined Balaprasad, Persian Head Moonshee in the Government Agent's Department at Kurnool, and that I consider him incapacitated by old age for further service.
