The East India Company and others.

With reference to the papers noted in the margin, I have the honor to request that the Commissioner of Tanjore may be required to forward to Madras with the least practicable delay all the Deeds, &c., relating to the Landed property of the late Rajah of Tanjore and mentioned in the Schedules to the Honorable Company's answer in the Suit marginally noted, which he has been able to find, accompanied by an explanatory Schedule of them in English, and to send to Madras once or twice weekly

such further Deeds, &c., as he from time to time discovers, accompanied by similar explanatory Schedules.

I also beg that the Commissioner may be requested to report to Government, and somewhat in detail, on the steps he has taken and the exertions he has used for discovering the required Deeds; the progress he has made, and the probable period at which he thinks or has reason to hope that he will be in a position to comply with the Master's requisition, with a view to my being able to satisfy the Master by the production of this Report that no unnecessary delay has occurred and that the Honorable Company are fairly entitled to further time for depositing the Deeds.
