*Fort Saint George, Political Consultation, 12th April 1859.*

No. 15. From Lieutenant Colonel CUTHBERT DAVIDSON, Resident at Hyderabad ;  
to the Chief Secretary to the Government of Fort Saint George, dated Hyderabad,  
25th March 1859, No. 458.

Civil Department. SIR,

As by the Treaty of 1853 with His Highness the Nizam's Government, the Resident at Hyderabad is held responsible that true and just accounts, exhibiting the Receipts and Disbursements of the Hyderabad Assigned Districts, are annually furnished to the Native Government. I have the honor to request that I may be furnished, as soon as possible, after the close of each official year, with a Statement, shewing the amount of Military and Medical Stores supplied by the Madras Government to the Hyderabad Contingent, and of items of any other description chargeable against the Revenues of these Districts.

2. As I have not yet received any Statements of this kind, I am unable to determine as to the correctness or not of the accounts received from Calcutta, and as the Governor General of India urgently requires the submission of these annual accounts to the Nizam, I beg that I may be furnished, without delay, with a Statement of all charges against the Revenues of these Districts since the date of cession, viz. since June 1853, as considerable discrepancies appear between the accounts prepared here and those received from the Accountant General to the Government of India, and the Governor General's orders are imperative that these accounts shall be finally closed to the 30th April 1858, without further delay.

No. 16. ORDER THEREON, No. 230 ; dated 9th April 1859.

Ordered to be communicated to the Accountant General, who will furnish, with as little delay as possible, the Statements required by the Resident at Hyderabad, and to do the same for future years.

*Chief Secretary.*
