Dated	21-4	1888

Fort Saint George, Political Consultation, 27th April 1858.

No. 1. From Surgeon EDWARD BALFOUR, Government Agent at Chepauk; to H. FORBES, Esq., Acting Secretary to Government, Fort Saint George, dated 11th April 1858, No. 717 of G. A.

SIR,

I have the honor to enclose two letters. About noon of Friday the 9th Instant, the Plaintiffs obtained in the Supreme Court of Judicature a Warrant of Ejectment, and it was then and there arranged between Mr. Ritchie, their Attorney, Mr. Boyson and myself, that Mr. Ritchie should address me, and I should send on that letter for Mr. Boyson's advice. And I mentioned to Mr. Ritchie that I would remain in Office till late, in expectation of receiving such communication.

His letter however was not delivered until 8 P. M. of that night. It was sent on to Mr. Boyson yesterday forenoon, and Mr. Boyson's reply, counselling the departure of the Begum, was delivered to me at $\frac{1}{2}$ past 6 last night.

In the meantime, however, about 4 P. M., the Sheriff's Warrant has been attempted to be served.

This indecent haste on the part of the Plaintiffs was in consequence of their knowledge of the Begum having within the past few days become dangerously ill, and, if death had ensued, all their previous Suits and decisions, would have become useless, to avoid which, the case as I understand, was to be pressed on.

I have the honor to enclose tender of another House, that of Mr. Ouchterlony, and as the matters are pressing, if the Right Honorable the Governor in Council will kindly give some instructions for future guidance, I will endeavour to expedite the matters as much as possible.

Several valuable properties have now been offered, some one of which could be allowed to the Begum, and be of great use to Government after her time.

From J. OUCHTERLONY, Esq.; to the Government Agent at Chepauk, dated Ootacamund, 6th April 1858.

SIR,

Observing an advertisement in the Gazette of the 1st Instant of a desire to purchase a Dwelling House, for which reference is to be made to you, I beg to say that I am willing to dispose of my large house, Fallowfield, Royapettah, which has above 40 acres of ground attached to it, for a sum of (32,000) thirty two thousand Rupees.

From A. M. RITCHIE, Esq.; to the Chepauk Agent, dated 9th April 1858.

SIR,

You are aware that my Clients G. G. K. Richardson and James S. S. Richardson recovered this day a Judgment in Ejectment against Mooktear, Nissa Baigum for Moorat's House on the Mount Road and are now in a position to have her summarily ejected by the Sheriff under a Writ of possession, but as my Clients are anxious not to occasion any unnecessary annoyance to the Lady in question, I on their behalf would suggest that the fact of the verdict having been recovered should be communicated to her at once, and that she should be advised immediately to quit the premises, as under existing circumstances I cannot advise my Clients to stay the due execution of their Judgment beyond tomorrow evening, when the Sheriff will be instructed to carry out the Writ of possession.

From J. R. BOYSON, Esq., Honorable Company's Solicitor, Government Agent at Chepauk, dated 10th April 1858, No. 178.

SIR,

I have the honor to acknowledge your letter of this day's date and its enclosure.

The enclosure herewith return and suggest that you forthwith communicate to Mooktear Nissa Baigum the contents of Mr. Ritchie's letter of yesterday's date, and that you advise and

urge her in the strongest terms, to vacate Moorat's Gardens in the course of tomorrow (Sunday) to avoid the indignity of being turned out of possession by the Officers of the Sheriff. She surely can obtain temporary accommodation until the contemplated purchase of a residence for her has been completed, and I think she is bound to do so; and that if she persists in remaining in Moorat's Gardens after the very ample notice which she has had to quit those premises (to the occupancy of which she is in no way entitled) she will deserve but little commiseration in the event of her being subjected to annoyance.
