Fort Saint George, Political Consultation 27th April 1858.

No. 28. From Surgeon E. G. BALFOUR, Government Agent at Chepauk; to H. FORBES, Esq., Acting Secretary to Government, Fort Saint George, dated April 1858, No. 768 of G A.

Sir,

- With reference to the orders and correspondence as per margin* I have the honor to intimate that a prolonged search in the Sircar records and in those of the Agency has failed to discover any document relating to the case.
1. *Extract Minutes of Consultation, No. 986, dated 24th November 1857.*
 2. *Petition from Mohomed Abdoollah Khan Bahadoor and others, No. 1830 of 1857.*
 3. *Do. from do. do. No. 1831 of 1857, with 3 enclosures.*
 4. *Letter from Captain J. B. Kemball, Political Agent in Turkish Arabia, dated 22nd February, No. 15 of 1858, with two letters from Abdoollah Khan, Son of the late Hissam-Ul-Moolk.*
2. All the papers hitherto received are herewith enclosed.

From Captain A. B. KEMBALL, Political Agent in Turkish Arabia to Surgeon E. G. BALFOUR, Government Agent at Chepauk, dated Baghdad, 22nd February 1858, No. 15.

Sir,

I have the honor to transmit herewith two letters open, the one to the address of the Government of Madras, the other to yourself, from Abdullak Khan, Son of the late Mootahir Ally Khan Hissam-Ul-Moolk.

In submitting the appeal of this Nobleman for such notice as you may deem it to deserve, it becomes me only as solicited by him to bear testimony to his present very impoverished circumstances.

From D. HILL, Esq., Chief Secretary; to the Officiating Government Agent at Chepauk, Fort Saint George, dated 2nd May 1856.

Sir,

I am directed to acknowledge the receipt of your letter of the 15th Ultimo, with its enclosures, and to state that the Honorable the Governor in Council is very desirous that Hissam Ul Moolk should be relieved from his pecuniary embarrassment and enabled to pass the remainder of his life in comfort and respectability. As the Son of the Nabob Wallajah he has a claim to all reasonable consideration from the British Government. The Pension of his Brother Syfool Moolk was continued without reduction to his Son Syfood Dowlah, and the Governor in Council is not aware of any serious objection to its being resolved before hand that Hissam Ul Moolk's Pension shall be continued in the same manner. It would be necessary however to ascertain in what way a resolution to that effect would enable him to come to a Settlement with his creditors, and also to ascertain that such Settlement was actually concluded, as otherwise the consequence of complying with his request would be that, without relief to him, his encumbrances would be entailed upon his family after his decease. You will therefore be pleased to inform yourself of the details of the arrangement proposed to be adopted and to report whether it seems equitable and practicable and for what period the Pension, at its present amount, would need to be guaranteed in order to give it effect.

No. 29. ORDER THEREON, No. 278; dated 27th April 1858.

The Heirs of the late Hissam Ool Moolk Mootahir Ali Khan will be informed that the search ordered in Extract Minutes of Consultation, No. 986, dated 24th November last, has been made, and that no Document bearing on their claim to the two gardens in the possession of the Carnatic Sirkar at Trichinopoly has been discovered among the Records in the Duffekkhana at Chepauk.

2. The Enclosures to Memorialist's Petitions are returned.

(Signed) T. PYCROFT,

Chief Secretary.
