Fort Saint George, Political Consultation, 11th May 1858.

Read again letter from the Commissioner of Tanjore, dated 6th April, No. 286, and Recorded in Consultation of the 20th April 1858.

No. 16. Read also Memorandum of the Superintendent of Government Press; to H. FORBES, Esq., Acting Secretary to Government, dated 28th April 1858.

On the subject of the Extract Minutes Consultation, under date the 15th April Instant, No. 257, the Superintendent Government Press begs to state that the printing of the Tanjore Pension Schedules referred to therein, has been put in hand; but he submits that the striking off for the use of the Commissioner's Office, as requested by him, of a number of Copies of the same in the modified form indicated, would involve the resetting of the whole of the original matter with the exception of the first two columns. The Superintendent solicits, therefore, instructions as to whether, under these circumstances, the Copies of the Schedules applied for in the modified form adverted to, should be printed for transmission to the Commissioner.

No. 17. ORDER THEREON, No. 308; dated 8th May 1858.

The Superintendent of the Government Press reports, in reply to the reference made to him on the subject, that the Printing of the Tanjore Pension Schedules in the modified form required by the Commissioner "would involve the resetting of the whole of the original matter with the exception of the first two columns," and thereby entail much additional labor on the Press. The Government cannot therefore consent to separate copies in the form suggested being struck off at the Press; but they will instruct the Superintendent to furnish the Commissioner with the required number* of copies of the Lists of each Department in the form in which they have been ordered to be printed for Office use, and the Commissioner should endeavour to make use of these as well as he can in complying with the requisition of the Civil Audit Office.
