No. 25. From J. R. BOYSON, Esq., Honorable Company's Solicitor ; to the Chief Secretary to Government, Fort Saint George, dated 29th May 1858, No. 268.

SIR,

I have the honor to acknowledge the Extract from Minutes of Consultation noted in the margin, and to state that it is not necessary that the proposed " Act for the administration of the Estate and for the payment of the Debts of the late Nabob of the Carnatic" should contain

Minutes Consultation, dated 19th May 1858, No. 323, Political Department.

in any specific provision relative to the Military Equipments and Stores referred to in the letter from the Inspector General of Ordnance and Magazines to Government under date the 19th Instant, and numbered 49, as forming part of the Estate of the late Nabob. "The Receiver of the Carnatic Property" who will be appointed under the provisions of the proposed Act will take and obtain possession of the Stores in question as being part of the property of the late Nabob in precisely the same manner as any other description of property and will in due course sell the same by Public Auction when Government can purchase such of the Stores as they may require.

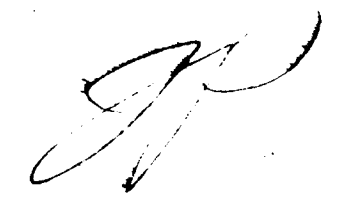

I am not aware that any Legislation relative to the Estate of the late Rajah of Tanjore is at present contemplated and therefore do not trouble Government with any remarks regarding any Military Stores which may be considered as belonging to that Estate.

No. 26. ORDER THEREON, No. 364 ; dated 7th June 1858.

Ordered to be communicated to the Inspector General of Ordnance and Magazines with reference to his letter of the 19th Ultimo, No. 49.
